

CENTRE FOR SOCIAL SERVICES & COMMUNITY DEVELOPMENT

**Dr Ravi Kant Singh
Centre Convener**

Centre for Social Services and Community Development is essential to imbibe and enhance human values, ethics and morals in our students and to understand the socio-economical responsibilities. The primary focus of this centre is for the development of personality of our engineering students through community services.

The main objectives of “Centre for Social Services & Community Development” are:

1. To understand the community in which we work.
2. To identify the needs and problems of our community and involve them for solving the problems.
3. To develop in them a sense of social and civic responsibility.
4. Develop the competency required for living and sharing responsibilities in groups.
5. To acquire leadership qualities and democratic attitude.
6. Capacity building in terms of emergency response system.
7. An Endeavour of building National integration and Harmony.

On the whole this centre is the platform for Personality Development of our students through Community Service. The main Moto is “**NOT ME BUT YOU**”.
