September 2016

Acceptance Notification Date: 15th
September 2016

Early Bird Registration Date:
18th-23rd September 2016

Seminar Date:
30th September 2016

Organized By:
CSE-IMSEC CSI STUDENT

**National Seminar on
Future Trends &
Innovations in Computer
Sciences & Engineering
(NSFTICE '16)**

National Seminar on Future Trends & Innovations in Computer Engineering (NSFTICE'16) is a unique platform for all the students to present good research papers as well as posters on upcoming fields. This seminar is conducted under the Computer Society of India (CSI) by an active CSE-IMSEC CSI Student Branch. The idea behind the seminar is to familiarize students more extensively with the methodology of their chosen branch and also to allow them to interact with examples of the practical problems that always occur during research work and project submissions.

Call For Paper

It our immense pleasure to announce that Department of Computer Engineering, IMSEC, Ghaziabad is organizing a National Seminar on Future Trends and Innovations in Computer Engineering' 2016 under CSE -IMSEC CSI Student Branch on 30th September 2016. Our objective to gather and motivate engineering students for exploiting and exploring new trends and innovative challenges in arena of the Computer Engineering. We are expecting more participants to project their technical and research based abilities by presenting technical reports and review papers as full papers. Their views and ideas in form of the poster presentations are also welcomed. The papers may be submitted through <https://easychair.org/conferences/?conf=nsftice2016>

Research Papers are requested to be from upcoming fields like Machine Learning, Natural Language Processing, Robotics, Artificial Intelligence, Big Data & Hadoop. Papers related to other fields are also welcome.

•Please attach DOC file of the paper to the mail.

Registration.

Early Bird registration fee is Rs. 500/- per participants for Paper Presentation and Rs. 200/- per participants for Poster Presentations.

• Special 30% fee waiver to CSI Members.

Proceedings.

All presented full papers will be published in International Journal of Computer Application (<http://www.ijcaonline.org/>).

Important Dates.
