

IMS ENGINEERING COLLEGE

ENTREPRENEURSHIP AWARENESS CAMP

APRIL 9-11, 2016

Three days Entrepreneurship Awareness Camp (EAC-2016) was organised under DST-NIMST Project of NSTEDB (National Science & Technology Entrepreneurship Development Board) and EDII, Ahmedabad. Total 135 students of final year of B.Tech from the department of Computer Science & Engineering, Bio Technology, Mechanical Engineering, Electronics & Communication, Electrical & Electronics, Information Technology, and MBA participated in the program.

Director, Dr Sraban Mukherjee, inaugurated the program on 9th April 2016. On the day of inauguration Dr Rita Sengupta(Ex-Director, NIESBUD), Mr Adappa Prasad (Chief manager, OBC Bank), Mr Kumar Kartikeya (Advocate Company Affairs, Supreme Court of India), and Sri Govind Sharma (Ex-Chief,NRDC,DSIR,N.Delhi) gave their presentation to the participating students and discussed various issues related to government schemes and various facilitating agencies helping new entrepreneurs.

On the second day of the program the speakers like Dr S P Mishra (Former Vice Chancellor, DSVV, Haridwar & Shridhar University Pillani, Advisor, Krishna Group Of Institutions), Mr Anand Mohan Singh (Co Founder Sunny Corporations), and Mr Prakhar Bansal, (Founder PY Solutions) shared their views and success stories of their entrepreneurial journey.

On the third day of the EAC program , the students visited Incubation Centre of NSIC, Okhla. There they saw the schemes and various technical equipments that can be used to start their venture. Students also took part in the presentation given by the faculties of NSIC.

Students' Visit at NSIC Okhla
