Illustrate natural characteristics (swabhava) of material order. b. Outline the differences and similarities between animal order and human order.  7. Attempt any one part of the following: a. Assess the current world views lead to contradictions and dilemmas in professional life.	1.						
c. Differentiate between SSDD & SSSS.  d. How sanyam is important for body?  e. Define the term Nyaya.  f. Define "complete value".  g. Summarize the meaning of innateness.  h. What is inheritance in human order.  i. Recall the part of human order, which is not cyclic.  j. Recall the term "competence" in professional ethics.  SECTION B  Attempt any three of the following: 10x3=30  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions.  b. Discuss 'Human being is co-existence of the Self and the Body'.  c. Examine the comprehensive human goal.  d. Describe all four orders of nature and its interconnectedness.  e. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following: 10x1=10  a. Categorise 'human consciousnesses and 'animal consciousnesses, Outline the role of "shiksha and sanskar" in raising man to "human consciousnesses level.  b. Illustrate the content and process of self-exploration, Discuss the role of natural acceptance.  4. Attempt any one part of the following: 10x1=10  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow?  b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following: 10x1=10  a. Ellaborate intention and competence and its important?  b. Describe the difference between respect and attention in human -human relationship with the help of an example.  6. Attempt any one part of the following: 10x1=10  a. Assess the current world views lead to contradictions and dilemmas in professional life.							
d. How sanyam is important for body?  c. Define the term Nyaya.  f. Define "complete value".  g. Summarize the meaning of innateness. h. What is inheritance in human order. i. Recall the part of human order, which is not cyclic. j. Recall the term "competence" in professional ethics.  SECTION B  2. Attempt any three of the following:  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions.  b. Discuss 'Human being is co-existence of the Self and the Body'.  c. Examine the comprehensive human goal. d. Describe all four orders of nature and its interconnectedness.  c. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following:  a. Categorise 'human consciousnesses and 'animal consciousnesses, Outline the role of "shiksha and sanskar" in raising man to "human consciousnesses" level.  b. Illustrate the content and process of self-exploration. Discuss the role of natural acceptance.  4. Attempt any one part of the following:  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow?  b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following:  a. Ellaborate intention and competence and its important?  b. Describe the difference between respect and attention in human -human relationship with the help of an example.  6. Attempt any one part of the following:  a. Illustrate natural characteristics (swabhava) of material order.  b. Outline the differences and similarities between animal order and human order.  7. Attempt any one part of the following:  a. Assess the current world views lead to contradictions and dilemmas in professional life.	b.	Differentiate "ethics" and "values".					
e. Define the term Nyaya.  f. Define "complete value". g. Summarize the meaning of innateness. h. What is inheritance in human order. i. Recall the part of human order, which is not cyclic. j. Recall the term "competence" in professional ethics.  SECTION B  2. Attempt any three of the following:  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions. b. Discuss 'Human being is co-existence of the Self and the Body'. c. Examine the comprehensive human goal. d. Describe all four orders of nature and its interconnectedness. e. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following:  a. Categorise 'human consciousnesses and 'animal consciousnesses, Outline the role of "shiksha and sanskar" in raising man to "human consciousnesses" level. b. Illustrate the content and process of self-exploration. Discuss the role of natural acceptance.  4. Attempt any one part of the following:  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow? b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following:  a. Ellaborate intention and competence and its important? b. Describe the difference between respect and attention in human -human relationship with the help of an example. 6. Attempt any one part of the following:  a. Illustrate natural characteristics (swabhava) of material order. b. Outline the differences and similarities between animal order and human order.  7. Attempt any one part of the following:  a. Assess the current world views lead to contradictions and dilemmas in professional life.	c.	Differentiate between SSDD & SSSS.					
f. Define "complete value".  g. Summarize the meaning of innateness. h. What is inheritance in human order. i. Recall the part of human order, which is not cyclic. j. Recall the term "competence" in professional ethics.  SECTION B  2. Attempt any three of the following: 10x3=30  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions. b. Discuss 'Human being is co-existence of the Self and the Body'. c. Examine the comprehensive human goal. d. Describe all four orders of nature and its interconnectedness. e. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following: 10x1=10  a. Categorise 'human consciousnesses and 'animal consciousnesses, Outline the role of "shiksha and sanskar" in raising man to "human consciousness" level. b. Illustrate the content and process of self-exploration. Discuss the role of natural acceptance. 4. Attempt any one part of the following: 10x1=10  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow? b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following: 10x1=10  a. Ellaborate intention and competence and its important? b. Describe the difference between respect and attention in human -human relationship with the help of an example. 6. Attempt any one part of the following: 10x1=10  a. Illustrate natural characteristics (swabhava) of material order.  b. Outline the differences and similarities between animal order and human order.  7. Attempt any one part of the following: 10x1=10  a. Assess the current world views lead to contradictions and dilemmas in professional life.	d.	How sanyam is important for body?					
g. Summarize the meaning of innateness. h. What is inheritance in human order. i. Recall the part of human order, which is not cyclic. j. Recall the term "competence" in professional ethics.  SECTION B  2. Attempt any three of the following: 10x3=30  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions. b. Discuss 'Human being is co-existence of the Self and the Body'. c. Examine the comprehensive human goal. d. Describe all four orders of nature and its interconnectedness. e. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following: 10x1=10  a. Categorise 'human consciousnesses and 'animal consciousnesses. Outline the role of "shiksha and sanskar" in raising man to "human consciousnesses" level. b. Illustrate the content and process of self-exploration. Discuss the role of natural acceptance. 4. Attempt any one part of the following: 10x1=10  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow? b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following: 10x1=10  a. Ellaborate intention and competence and its important? b. Describe the difference between respect and attention in human -human relationship with the help of an example. 6. Attempt any one part of the following: 10x1=10  a. Illustrate natural characteristics (swabhava) of material order.  b. Outline the differences and similarities between animal order and human order.  7. Attempt any one part of the following: 10x1=10  a. Assess the current world views lead to contradictions and dilemmas in professional life.	e.	Define the term <i>Nyaya</i> .					
h. What is inheritance in human order.  i. Recall the part of human order, which is not cyclic.  j. Recall the term "competence" in professional ethics.  SECTION B  2. Attempt any three of the following:  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions.  b. Discuss 'Human being is co-existence of the Self and the Body'.  c. Examine the comprehensive human goal.  d. Describe all four orders of nature and its interconnectedness.  e. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following:  a. Categorise 'human consciousnesses and 'animal consciousnesses. Outline the role of "shiksha and sanskar" in raising man to "human consciousnesses" level.  b. Illustrate the content and process of self-exploration. Discuss the role of natural acceptance.  4. Attempt any one part of the following:  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow?  b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following:  a. Ellaborate intention and competence and its important?  b. Describe the difference between respect and attention in human -human relationship with the help of an example.  6. Attempt any one part of the following:  a. Ellaborate intention and competence and its important?  b. Describe the differences and similarities between animal order and human order.  7. Attempt any one part of the following:  a. Assess the current world views lead to contradictions and dilemmas in professional life.	f.	Define "complete value".					
h. What is inheritance in human order.  i. Recall the part of human order, which is not cyclic.  j. Recall the term "competence" in professional ethics.  SECTION B  2. Attempt any three of the following:  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions.  b. Discuss 'Human being is co-existence of the Self and the Body'.  c. Examine the comprehensive human goal.  d. Describe all four orders of nature and its interconnectedness.  e. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following:  a. Categorise 'human consciousnesses and 'animal consciousnesses. Outline the role of "shiksha and sanskar" in raising man to "human consciousnesses" level.  b. Illustrate the content and process of self-exploration. Discuss the role of natural acceptance.  4. Attempt any one part of the following:  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow?  b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following:  a. Ellaborate intention and competence and its important?  b. Describe the difference between respect and attention in human -human relationship with the help of an example.  6. Attempt any one part of the following:  a. Ellaborate intention and competence and its important?  b. Describe the differences and similarities between animal order and human order.  7. Attempt any one part of the following:  a. Assess the current world views lead to contradictions and dilemmas in professional life.	g.	Summarize the meaning of innateness.					
p. Recall the term "competence" in professional ethics.  SECTION B  2. Attempt any three of the following:  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions.  b. Discuss 'Human being is co-existence of the Self and the Body'.  c. Examine the comprehensive human goal.  d. Describe all four orders of nature and its interconnectedness.  e. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following:  a. Categorise 'human consciousnesses and 'animal consciousnesses. Outline the role of "shiksha and sanskar" in raising man to "human consciousnesses" level.  b. Illustrate the content and process of self-exploration. Discuss the role of natural acceptance.  4. Attempt any one part of the following:  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow?  b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following:  a. Ellaborate intention and competence and its important?  b. Describe the difference between respect and attention in human -human relationship with the help of an example.  6. Attempt any one part of the following:  a. Ellaborate intention and competence and its important?  b. Describe the difference between respect and attention in human -human relationship with the help of an example.  6. Attempt any one part of the following:  a. Illustrate natural characteristics (swabava) of material order.  b. Outline the differences and similarities between animal order and human order.  7. Attempt any one part of the following:  a. Assess the current world views lead to contradictions and dilemmas in professional life.							
SECTION B   10x3=30	i.	Recall the part of human order, which is not cyclic.					
Attempt any three of the following:  a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions.  b. Discuss 'Human being is co-existence of the Self and the Body'.  c. Examine the comprehensive human goal.  d. Describe all four orders of nature and its interconnectedness.  e. Analyze ethical human conduct? Explain in terms of values, policies and character with appropriate examples.  SECTION C  3. Attempt any one part of the following:  a. Categorise 'human consciousnesses and 'animal consciousnesses. Outline the role of 'shiksha and sanskar' in raising man to "human consciousnesses' level.  b. Illustrate the content and process of self-exploration. Discuss the role of natural acceptance.  4. Attempt any one part of the following:  a. Assess the current scenario with understanding of knowing, assuming, recognizing, and fulfilling. What is the correct flow?  b. Discuss the power of 'Desire', 'Thought' and 'Expectation' with a diagram.  5. Attempt any one part of the following:  a. Ellaborate intention and competence and its important?  b. Describe the difference between respect and attention in human -human relationship with the help of an example.  6. Attempt any one part of the following:  a. Illustrate natural characteristics (swabhava) of material order.  b. Outline the differences and similarities between animal order and human order.  7. Attempt any one part of the following:  a. Assess the current world views lead to contradictions and dilemmas in professional life.	j.	-					
a. Describe the content of Value Education. Restate the need for it in technical and other professional institutions.  b. Discuss 'Human being is co-existence of the Self and the Body'.  c. Examine the comprehensive human goal.  d. Describe all four orders of nature and its interconnectedness.  e. Analyze ethical human conduct?
