Registered U/S (8), Companies Act, 2013

About:

TBI-IMSEC is a registered body under U/S (8), Companies Act, 2013 as the Technology Incubation Foundation-IMSEC in 2024. Technology Incubation Foundation-IMSEC (TIF) is a Business Incubator / Incubation Centre for Innovation Driven Enterprises/Startup, located at IMS Engineering College, Ghaziabad.

The focus areas of TIF-IMSEC encompass several sectors, namely:

- Advanced Manufacturing
- Creative Industries and Media Technology Enterprise
- Enterprise Solution & Artificial Intelligence
- Open Innovations
- Others

The Incubator provides support through various govt. programs along with a rapid prototyping product development facility with experienced technical and business mentoring support largely needed for any early-stage startup. The TIF-IMSEC aims to promote innovation (to provide a platform where innovative ideas are generated) and entrepreneurship promotion (through self-employment and talent utilization, wherein innovators would be supported and mentored to become successful entrepreneurs) through a combination of support services.

The main objects defining the nature of the business are:

- a) Providing incubation or co-working space, lab space, new technological facilities, mentoring and advisory support, and financial assistance through internal or external sources.
- b) Network and linkage opportunities.
- c) Training and skill development for entrepreneurship and better career opportunities.

- d) Sector agnostic Research and development for prototyping and product development through innovation.
- e) Consulting services to MSMEs and corporations for innovation and product development.
