Dear Students,

Greetings from CDC!

### **A Gentle Reminder!**

**Please find below the email for your ready reference.**

**Please find the information regarding the Virtual Pre - Placement Talk of "BrowserStack Catapult" to be held for the students of MCA & B.Tech (CSE, CS, CSD, IT & ECE) from 2024 - 2025 Batch.**

**Company** - Seamlessly integrate BrowserStack into your setup , We work with the tools and frameworks you use. Test development code from Visual Studio and beta apps from App Center. Run automated tests on every commit from your CI/CD pipeline, and get test results directly in Jenkins and Slack. Report bugs directly to Jira, and reproduce them with a click.

**Website** - <https://www.browserstack.com/>

**Eligible Course** – MCA & B.Tech (CSE, CS, CSD, IT & ECE)

We are hosting **BrowserStack Catapult PPT** on **25th January 2025 at 12:00 PM IST** and would love for you and the students from your college to be a part of this.

This event has been crafted to serve as a launching pad for engineering graduates, propelling their careers to greater heights. The workshop is aimed at enhancing skills sets, refining profiles, and ultimately helping them stand out in today's competitive landscape.

### **Here's why students should attend:**

- Insight into diverse landscape of various engineering roles including AI/ML
- Strategies to ace machine coding interview rounds
- Resume-building best practices and growing your professional network
- Have your questions answered through a live Q&A session

**Registration Link** – [Registration Form](#)

### **Note** –

- Please go through the company's website properly for better understanding of the profile.

- **Students who will attend the PPT for 2 hour will only get placement opportunities as at the end we will be asking questions.**
- Only registered students will be allowed to participate.
- Further details of the drive will be shared, post registrations.

Dear Students,  
Greetings from CDC!

**Please find the attached notice regarding the Virtual Pre - Placement Talk of "BrowserStack Catapult" to be held for the students of MCA & B.Tech (CSE, CS, CSD, IT & ECE) from 2024 - 2025 Batch.**

**Company** - Seamlessly integrate BrowserStack into your setup , We work with the tools and frameworks you use. Test development code from Visual Studio and beta apps from App Center. Run automated tests on every commit from your CI/CD pipeline, and get test results directly in Jenkins and Slack. Report bugs directly to Jira, and reproduce them with a click.

**Website** - <https://www.browserstack.com/>

**Eligible Course** – MCA & B.Tech (CSE, CS, CSD, IT & ECE)

We are hosting **BrowserStack Catapult PPT** on **25th January 2025 at 12:00 PM IST** and would love for you and the students from your college to be a part of this.

This event has been crafted to serve as a launching pad for engineering graduates, propelling their careers to greater heights. The workshop is aimed at enhancing skills sets, refining profiles, and ultimately helping them stand out in today's competitive landscape.

**Here's why students should attend:**

- Insight into diverse landscape of various engineering roles including AI/ML
- Strategies to ace machine coding interview rounds
- Resume-building best practices and growing your professional network
- Have your questions answered through a live Q&A session

**Registration Link** – [Registration Form](#)

**Note** –

- Please go through the company's website properly for better understanding of the profile.
- **Students who will attend the PPT for 2 hour will only get placement opportunities as at the end we will be asking questions.**
- Only registered students will be allowed to participate.
- Further details of the drive will be shared, post registrations.
- Do check your Junk/ Spam mails as well.
- Keep checking your mails regularly for further updates.
