UMEEDON KO PANKH Foundation – IMSEC Chapter

ANNUAL REPORT (2019-20)

Umeedon Ko Pankh Foundation has two chapters in Ghaziabad. The IMSEC College Chapter has an overall count of underprivileged kids 48 which are from class 1-10. Outside college chapter known as Aakash Nagar chapter has overall strength of 15 (approx.) having majority students from class 3, 4 and 5.

Teaching classes were held throughout the year in IMSEC campus and taken by our student volunteers (42 volunteers). Apart from regular teaching classes, following events were organized for kids in academic year 2019-20.

- LAKSHYA 2020 (16.02.2020)
- 15 AUGUST FLAG HOSTING (15.08.2019)

LAKSHYA

Umeedon ko Pankh foundation (IMSEC Chapter) has organised LAKSHYA, a sports fest, in collaboration with Sports Promotion Organization of India on 16th February 2020.

The main objectives of the event:

- To showcase the talents & boost the sports spirit of the children living in slums
- This type of participation will prepare our children for the outer experiences of team spirit, sportsmanship and healthy competition.
- To provide a platform for organisations working in the same direction to work together.

Main Events:

- Relay race
- kho-kho
- kabadi
- 100 m race
- 200 m race

15 AUG - NUKKAD NATAK

The 15 August flag hosting was supported by the brilliant performance of the volunteers in nukkad natak named as “HUMEIN KYA”. Which depicted the sheer ignorance of the society on the burning issues of the country that seem to destroy it. In total 15 volunteers were part of the arrangement.

LOCKDOWN CLASSES

In this fear struck era of COVID-19 where everything was at stop. We tried our best to keep our students studies not get hampered. Our volunteers are working from their homes and giving online classes to the students. There are a total of 7 to 8 students, who attend an hour class to maintain the balance of their education and vacation all together.

UNNAT BHARAT ABHIYAN - ANNUAL REPORT (2019-20)

**Awareness activity on “Health, Nutrition, Sanitation & Environmental Pollution”
performed by Team Members of IMSEC on 22nd Nov. 2019**

The aim of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. With this objective five villages had been assigned to IMSEC, to develop them & provide them better solutions of their problems.

To start with the same on 22nd Nov. 2019 a team comprising of Prof. Rashmi Chandra (H.O.D. Department of Biotechnology), Dr. Shashi Gupta (Associate Professor, Department of M.B.A.), & Dr. Suman Gupta (Assistant Professor, Department of Applied Science), Mr. Sudhir Chaudhary (Administration officer), Mr. Amit Tyagi (System Administration Officer), from IMSEC went in a govt. school of Rasulpur Sikrod village to educate students about Health, Nutrition, Sanitation & Environment Pollution. Along with the team members of college, school principle Mohd. Haneef, Smt. Prachi Tyagi (Teacher), Mr. Sandeep Kumar (Assistant Teacher) & village head Smt. Khushnuma and her husband Shri Fakhru Bhaiya authorities were also present there. Team also went to another govt. school in village Nahal to educate the students about environmental management.

Health forms an Important index of human development and in turn that of the development of any society. It is the fundamental human right. Healthy population plays a key role in achieving the developmental activities as health helps to improve the productivity of mankind both directly and indirectly. With this objective Prof. Rashmi Chandra talked about Health & Nutrition. She told the students about the Components of food, Importance of food, Healthy food & Nutrients required by human body.

If water is life, sanitation is surely a ‘way of life’ and access to such facilities has an impact on the quality of human life and health. Environmental cleanliness and sanitation were subjects closest to Mahatma Gandhi’s heart who proclaimed that “cleanliness is next only to godliness”. Keeping in mind this view Dr. Shashi Gupta told the students about health and sanitation, purpose of sanitation & diseases which are caused due to lack of sanitation. Failing to ensure sanitation can have direct implications on the individual/family/community’s health.

Director
IMSEC, Govt. College
Gwalior

Dr. Suman Gupta told the students about Environmental pollution & Health. She told the students about the pollution, causes of pollution, types of pollution & effect rising pollution on the human body. She also told the students about how they can stay healthy in such a polluted environment.

At the end of the session questions were asked from the students. They were giving answers and were very happy. Students were very enthusiastic. They took keen interest. Overall objective of the team was to create awareness about health, nutrition, sanitation and environment pollution among the children, who are the future of the nation.

A team of students also took a survey of village Raghunath pur of Rajapur Block. A sample copy of the filled form is attached herewith this report.

**Educational Programme on Environmental Management Organised by
IMSEC, Ghaziabad in Purve Madhyamic Vidayalya, Nahal,
Razapur, Ghaziabad, Uttar Pradesh, India.**

IMS Engineering College (IMSEC) Ghaziabad organized an Educational tour in Purve Madhyamic Vidayalya (U.P.S. Nahal Middle School) in Village Nahal on Tuesday, 4th February 2020.

This school was established in 1997 by the State Government. U.P.S. Nahal Middle School (UPSNMS) located at Nahal, Ghaziabad. This school is counted among the top-rated Schools in Uttar Pradesh with an excellent academic track record. School type is Co-educational. Medium of instruction is Hindi. The name of school Head Master is Mr. Fazar Mohammad and there are 4 teachers besides him. There are approx 300 students in this school and ratio of boys and girls is 70 & 30 percent. A total of approx 150 students had attended this

educational program based on environmental management. The students belong to 6th to 8th standard.

Dr Suman Gupta, the faculty of IMSEC conducted a very informative session on removal of dust and smoke from polluted air by traditional Indian medicinal plantation method in villages and rural area without spending extra money and labour. Dr. Suman introduced the students to various enriching, purifying & medicinal aspects of traditional plants and trees as Bargad (*Ficus benghalensis*), Peepal (*Ficus religiosa*), Goolar (*Ficus glomerata*), Neem (*Azadirachta indica*) & Ghiquar (*Aloe vera*). She has explained the phenomenon of air purification which occurs in the plants and trees. She has given the informative talk on topics that included Medicinal uses, Air pollution management and Soil fertility improvement with the help of these traditional trees and plants.

At the end of the session questions were asked from the students. They also given answers and were very happy. Students were very enthusiastic. They took keen interest. Overall objective of the team was to create awareness about health and environment pollution among the children, who are the future of the nation.

Head Master and teachers had also taken keen interest in this traditional information. They appreciated this valuable information. It was a very informative, interesting and a successful Educational Programme. Mr. Sudhir Chaudhary (PI Coordinator), Mr. Amit Tyagi, Mr. Jitendra Kumar and Mr. Nishant (student of MBA) are supportive members from IMSEC for this meaningful program. School Head Master, Teachers and students extended their respect and thanks to Dr. Sraban Mukherjee, Director of IMSEC for conducting such informatics educational program and providing all support & guidance.

IMSEC also thanks to School Head - Master Mr. Fazar Mohammad who provided all the required facilities for this educational program. We would also like to thank to school teachers who helped in maintaining the discipline for smoothly running of whole program.

The Principal/Director

Subject: Observance of the Communal Harmony Campaign Week from 19th to 25th November 2018 and Flag Day on 22nd November 2018 (Thursday) of the National Foundation for Communal Harmony materials regarding-

Dear Sir/Madam,

The National Foundation for Communal Harmony (NFCH) observes the Communal Harmony Campaign Week every year from 19th to 25th November. The last working day of this week is celebrated as Flag Day of the Foundation. Accordingly this year also the Foundation will observe the Communal Harmony Campaign Week from 19th to 25th November 2018 and the Flag Day will be observed on 22nd November 2018 (Thursday). While the Flag Day spreads the message of communal harmony and National integration, it is also utilized for fund raising to enhance the resources of the Foundation to carry out its activities on various schemes and projects as specified in the enclosed Brochure and to enable it to achieve the aims and objectives of the Foundation.

- 2 Besides promotion of communal harmony and National integration through a number of activities, the Foundation provides financial assistance to children rendered orphan or destitute in communal, caste, ethnic or terrorist violence for their care, education and training for their complete rehabilitation under the project 'Assist' of the Foundation.
- 3 The NFCH had received a modest corpus from the Government of India in 1992. The interest earned thereon is not adequate to carry forward and expand our activities. Therefore, while observing the Communal Harmony Campaign Week and Flag Day, the Foundation utilizes the
