The screenshot displays the IMSEC AlmaConnect website interface. At the top, there is a navigation bar with 'Home', 'IMSECIans', and 'Jobs' tabs. Below this, three featured lists are shown: 'Software Engineering Professionals' (292 People), 'Java Professionals' (16 People), and 'Introducing Lists - a smarter way to get discovered' (View all 18 lists of IMSECIans). A notification banner prompts the user to add a mobile number. The main content area features a user profile for Avdesh Gupta, an Associate Professor at IMS, with options to 'Edit' or 'View' the profile. To the right, there is a 'Post' section for sharing updates or job openings, a 'My Feed' section for content from followed users, and a 'Discover' section for community updates. A 'Get referred to jobs' section lists various companies like SAP, Oracle, and FICO, with a 'View Openings' button. The bottom of the page shows a Windows taskbar with several open applications and a system tray displaying the time as 2:33 PM on 8/20/2021.
