

Previous Clarifications

Responded Date : 13/08/2021

Subject: Further clarification

Remark by As on today, If your institution is recognized as research center for guiding Ph.D. then

NAAC: please include it into IIQA and self declaration.

Response: Clarification is Closed

Responded Date : 02/05/2021

Subject: Further clarification

Remark by As on today, If your institution is recognized as research center for guiding Ph.D. then

NAAC: please include it into IIQA and self declaration.

In response to your communication seeking clarification: **As per your request, we have included PhD. in Biotechnology in IIQA and uploaded the revised Self Declaration form.** This is again notified to you that our Institute is not offering Ph.D. program.

Response: However, our Institute is designated as a University research center for the Biotechnology discipline. **The affiliating University did not send any candidate (in any university scheme for Ph.D.) to our college till now, and also there is no approval from other bodies like AICTE for this program.**

Responded Date : 26/04/2021

Subject: Further clarification

Remark by kindly let us know that how many teachers of your institution are recognized as

NAAC: research guide.

The following faculty members are recognized as research guide or co-guide of different universities: 1. Dr. S.N. Rajan – Co-guide at Shobhit University (Computer Science/Information Technology) 2. Dr. Suneet Shukla – Co-guide at IFTM University (Computer Science) 3. Dr. Avdresh Gupta – Co-guide at Shri Venkateshwara

Response: University and Guide at Dr. A.P.J. Abdul Kalam Technical University (Computer science) 4. Dr. Pankaj Agarwal – Co-guide at Sharda University and Mewar University(Computer science) 5. Dr. Narendra Kumar - Guide at Dr. A.P.J. Abdul Kalam Technical University (Biotechnology)

Responded Date : 20/04/2021

Subject: Further clarification

Director
OIS Engineering College
Ghaziabad

Remark by Kindly clarify whether your institution has enrolled any Ph.D. Student during

NAAC: assessment period, if yes kindly include the program in IIQA.

In response to your communication seeking clarification, Our institute has not enrolled

Response: any students for approved research center - Biotechnology during the assessment period and the University also did not allocate any students to us for the same.

Responded Date : 16/04/2021

Subject: Further clarification

As mentioned by you in previous clarifications, that your college is an approved

Remark by research center for Ph.D. Program, Kindly provide the recognition letter provided by

NAAC: University as research center and mention the PhD program in IIQA and self declaration.

In response to your communication seeking clarification: Our Institute has been designated as University Research Center for Bio-Technology discipline as per Ref letter no- AKTU/VCO/2016/8192, dated 14-10-2016. This was done with the objective to improve the quality of PG education & research. This is not a Ph.D. program offered by the college, therefore cannot be included in IIQA and self-declaration form.

Response: As per the AKTU letter no-AKTU/VCO/cir/2016/7798 dated 23 April 2016, our Institute applied to become University Research Center for Bio-Technology discipline, for which University approved our Institute as University Research Center for Bio-Technology discipline The copy of affiliating university letter no- AKTU/VCO/2016/8192, dated 14-10-2016 and letter no-AKTU/VCO/cir/2016/7798 dated 23 April 2016 attached in section (Affiliation compliance).

Responded Date : 08/04/2021

Subject: Further clarification

1. If your college is offering a Ph.D. Program, please include it in IIQA and self declaration. Also you are requested to provide the University affiliation letter for Ph.D. program. 2. You are also requested to clarify that whether IMS engineering college is a separate entity other than management and total how many colleges are under the IMS group of institution.

Remark by NAAC:

In response to your clarification: 1. Our College is not offering a Ph.D. Program in any stream. Therefore, it is not included in IIQA and Self Declaration form. Affiliating University AKTU approved our college as Research Centre-Biotechnology, to assist Ph.D. (Bio-Technology) students allotted by the University. 2. IMS Engineering College is one of the institutions that come under the IMS Group of Institutions. IMS Group of Institution has three Institutes situated at different places (having different campuses): 1. IMS Engineering College, NH-24, Adhyatmik Nagar, Ghaziabad - 201015, 2. Institute of Management Studies, G.T. Road, Lal Quan, Ghaziabad-201 009, 3. IMS Ghaziabad (University Courses Campus), Adhyatmik Nagar, Ghaziabad – 201015. These three institutes are situated at different places and have separate campuses.

Responded Date : 07/04/2021

Subject: Further clarification

Remark by It is observed from your college website that IMS is a group of institution, and for IMS

NAAC: college of engineering PhD program is displayed on website. Kindly clarify

Dear Sir, For your clarification IMS Engineering College is an approved research

Response: center for the Ph.D. program in Biotechnology from Dr. A.P.J. Abdul Kalam Technical University, However, we updated the programs on our website accordingly.

Responded Date : 05/04/2021

Subject: Further clarification

It is observed that in AICTE letter B.Tech computer science and engineering is

Remark by mentioned twice, whereas in IQA and University affiliation letter it is mentioned once.

NAAC: Also there is a discrepancy in the number of seats in different documents . Kindly clarify.

Dear Sir/Madam, In response to your communication seeking clarification: In the approval letter of session 2017-18, IMS Engineering College had 180 seats in Computer Science & Engineering in 1st Shift and 60 seats in 2nd shift. However, in session 2018-19, IMS Engineering College applied for conversion of 2nd shift seats to 1st shift. AICTE Approved the same and then mentioned 180 seats in the 1st shift and 60 seats separately as the converted seat (from 2nd shift to 1st shift) in the approval letter, please refer F.No. Northern/1-3511337920/2018/EOA date 10/04/2017.

Response: Whereas the affiliating University Dr. A.P.J Abdul Kalam Technical University merged both these into a single category i.e. Computer Science & Engineering in the approval letter and made one branch Computer Science & Engineering and made it 240 seats, ref AKTU/2018/10139/(143) date 15/05/2017. In the session 2020-21 also, AICTE issue a similar approval letter ref F.No. Northern/1-7013710200/2020/EOA date 15/06/2020 but the shift column deleted from the letter, and Dr. A.P.J Abdul Kalam Technical University merged 180 and 60 seats to one Computer Science & Engineering and made it 240 seats since 2018-19. Therefore, in 2020-21, the AICTE approval letter has 180 seats and 60 seats of the Computer Science and Engineering branch separately, and the Dr. A.P.J Abdul Kalam Technical University approval letter has only one branch, Computer Science and Engineering have 240 seats. In the case of MBA program, the number of seats is different because AICTE approved the intake of 120 seats, while the Dr. A.P.J Abdul Kalam Technical University approved only the 60 seats for session 2020-21. It is important to note that AICTE extends its approval annually once separately and Dr. A.P.J Abdul Kalam Technical University extends its approval separately. NOTE: AICTE and AKTU approval letters has been attached in Affiliation Compliance (SRA section)

Responded Date : 31/03/2021

Subject: Further clarification

Director
IMS Engineering College
Ghaziabad

Remark by NAAC: It seems that both the affiliation letter with same date with different number of programmes. Kindly provide the latest affiliation letter from University.

Response: Dear Sir, The affiliating University (AKTU) has issued the letter on 24 August 2020 ref: 6090-6792, with wrong program count and allotted seats. Institute has communicated to AKTU on 2 Sep 2020 ref: IMSEC/RO/2020/11293 regarding removal of discrepancy in program count and its allotted seats. The affiliating university (AKTU) made changes and issued the letter with same reference number/date, having correct program count and its allotted seats. This can be verified from affiliating university.

Responded Date : 26/03/2021

Subject: Clarification w.r.t. your IIQA submission

Remark by NAAC: With reference to the submission of your IIQA, you are requested to provide the following clarifications/ documents for enabling NAAC to process your application further. 1. It is observed that in University affiliation letter 3 B.tech programs are Computer science & Engineering and 1 B.tech program is Computer science. Whereas in IIQA 2 programs are Computer science engineering and 1 B.tech program is Computer science. Kindly clarify 2. The number of programs in IIQA, Self declaration and University affiliation letter should be same. Please go through the above clarifications, make the appropriate changes, upload relevant documents in the appropriate column in the IIQA application and submit. Please do not send it through email. While uploading the new document kindly ensure that the earlier documents which are required are also uploaded along with the new document as single pdf. Our affiliating University has sent a revised affiliation letter which mentioned only one B. Tech. program in Computer Science & Engineering and one B. Tech. program in Computer Science, also one M. Tech. Program in Computer Science & Engineering. In response to your clarification, we have updated the revised University affiliation letter

Response: with request of correction need to be done in B.Tech. program in Computer Science & Engineering in IIQA. In updated attachment (Affiliation Compliance) we have added 1. New revised letter 2. Request letter from college for correction 3. Previous letter Now number of programs in IIQA, in self-declaration form and in University affiliation letter are same..
