Note For Approval For Audits

11th January, 2021

The Director
IMS Engineering College
Ghaziabad

Sir,

Subject: Request for approval for conducting Audits

It becomes prime duty of every organisation to preserve its environment, conserve the natural resources and promote the environment friendly practices. The green and clean campus concept enables the Institutions to take the lead in redefining its environmental culture through instilling environmental ethics among students and staff.

Hence to meet the above objective, audit of the Institute with respect to these aspects is proposed. This would measure and promote its environmental efforts in a systematic and documented manner. It is suggested to get the following audits conducted in the month of January 2021, as it would strengthen the steps undertaken to upgrade the environment & energy conservation in our Campus, and shows the consciousness of IMSEC towards its environment conservation :

1. Green audit.
2. Environment audit
3. Energy audit

It is requested to accord your kind approval for the above .

Submitted please.
