**Sub.: Request for fee waiver for my son.**

Respected Sir,

This is to bring to your kind notice that I Pradeep Singhal is serving this prestigious organization from last 20 years as programme coordinator-BBA. I have always performed my duties with full sincerity & diligence.

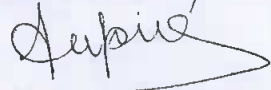

I am happy to share that my son Mayank Singhal has recently cleared his class 12<sup>th</sup> with 84.60% marks and is a very bright student. He wants to pursue his career in the area of engineering therefore I would like him to get admission in IMS Engineering College. I am sure that he will perform and will give his best under the guidance of able mentors.

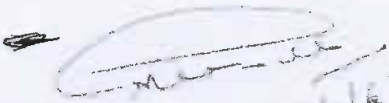

I request you for fee relaxation for my son as with my present salary I will not be able to afford the fee of the Institute. It will be a great favour on me and my family and my son will be able to fulfill his dreams.

Looking forward for a positive response.
