2. Celebration of International Women Day

International women day is celebrated every year to acknowledge the efforts of women in various fields. To make people more aware about women empowerment and achievements made by them, an event was held on 6 March 2021 in IMSEC premises. The students presented Nukkad Natak show on women empowerment, and made people aware about the most prominent women in business, government, academia, and many other fields.

8th March is celebrated as International Women's Day around the world. IMS Engineering College was celebrating International Women's Day by running 10 days Mission SHAKTI Campaign (from 26 Feb. 2021 to 08 March 2021) in offline as well as online mode with an aim to create awareness among the various stakeholders on the issues of Women's safety, respect and self dependence. In this series, a SKIT Event on the theme of Women Empowerment was organized by first year students in the college campus.

3. Rangoli making

The students are given theme of save girl child. They draw rangoli in the premises based on the same message to raise awareness in the society. (6 March 2021)
