NSS CLOTH DISTRIBUTION PROGRAM

The NSS committee constituted of distinguished academic and non academic staff members at IMS Engineering College Ghaziabad chaired by **Dr. Manoj Kumar Singh** has made a commendable job on **07/01/2022 Friday** by distributing new and old woollen clothes and other essential winter requirements to the under privileged people living in the slum areas of Govindpuram and adjoining areas.

The employees of IMS Engineering College Ghaziabad have contributed their level best and leveraged their resources to support mankind living below the poverty level. It is undoubtedly a result of true devotion, dedication and determination to assist these people at the spiritual level. The vision to elevate humanity lies in the theory that charity begins from home. It is really a true endeavour to empower the dormant feelings of humanity to support the discriminated segment of our society due to their poverty and initiate a support system at a nascent stage to trigger and uplift exponentially the phenomenon of "being human" with the passage of time. Here are the glimpses of the programme.
