## **REPORT ON ACTIVITIES CONDUCTED FOR FEMALES**

### **1. Awareness Programme on “1090”**

IMS Engineering College in association with UP Police organized an Awareness Programme on “1090” Helpline Number of UP Police to make the girl students aware of their rights while using “1090” and the services associated with this helpline number.

The programme was organized under the mentorship of Dr. Iraj Raja SP (Rural) Ghaziabad and was conducted by Inspector Kiran Raj, SHO, Women Police Station, Ghaziabad. She told the girl students of IMSEC that “1090” Helpline number is an initiative of UP Police for ensuring the safety and security of women. It’s a women power line on which women can report harassment, stalking or phone related abuse. It works 365x24x7 like a call centre with cops receiving the calls and taking immediate actions. Cops call the stalkers or the person against whom the complaint has been registered and take punitive action against the person.

This is an initiative to give confidence to the women and ensure their safety and security.
