NAAC AQAR: 2020-21

7.3.1 *Portray the performance of the Institution in one area distinctive to its priority and thrust*

Policy- College to Corporate

Overview- The ultimate objective of every student is to get a dream job. It becomes the duty of the institute to provide a platform to develop and polish their skills and expertise and make them ready to corporate. IMSEC is fully committed to make the students corporate products.

The Process-

IMSEC makes students ready for Corporate by undertaking the following methods-

1. **Attendance-** The college motivates its students to maintain above 75% attendance by giving them extra marks in internal assessments. Students are required to maintain 75% positively. Their attendance is regularly displayed at the departmental notice board.
2. **Assignment-** Subject teachers give the practical assignments based on concepts to develop their students' subject specific skills. They need to submit at least 7 assignments in each subject.
3. **Internship-** Students are required to complete internship on the latest technology, skills or programmes in the company. This is how they get flavour of working with corporates.
4. **Participation in Technical or Management fest-** Students participate in technical fest/ management fest where they take a practical problem and develop a product or software to solve it. They participate at various national and state level project exhibitions.
5. **Collaboration with Foreign University-** Some selected students have been sent to Foreign university i.e. University of Louisville.
6. **Branch topper-** The Institute motivates its bright students by awarding them cash prize during the convocation.
7. **Students counselling-** Faculty mentors are assigned a number of students to counsel. The objective is to encourage weak students and guide them.
8. **Remedial classes for weak students-** Remedial classes are conducted for weak students. Weak students are identified in every subject on the basis of marks obtained in internal exams.
9. **Participation in Cultural and Sports fest-** The institute organises Cultural and Sports fests annually and the students are encouraged to take part in them by awarding them GP marks.
10. **Personality Development classes-** Soft skills classes are part of curriculum to enhance their personality as well as communication skills. They are also trained for numerical aptitude to increase the opportunities of their placements.

11. **Seminar/ Guest lecture / Alumni lectures** – Seminars, Guest lectures and Alumni lectures are frequently conducted in every semester to develop a connect to the placements.
12. **Research and development-** During AY 2020-21, the Institute has acquired 2 projects funded by Government agencies. Research is also conducted by students and they are taught how to present them at seminars. There are research publications in national and international journals of repute. The faculty members have also published many books and book-chapters.

Evidence of Success-

- The Institute is able to produce University Rank holders every year. This indicates the quality of the academics.
- Percentage of Students placed is rising.
- Number of companies visited is increasing. Average Package as well percentage of students placed are increasing.
