FACULTY DEVELOPMENT PROGRAM

Participation in Faculty development programmes would enable faculty members to update their research and pedagogical skills. Higher education institutions are starting to adapt and respond to professionals already in employment, mature learners and the demand from students enrolled for skills for employability programs. With the aim of equipping faculty members with required skills and knowledge, ICT Academy pursues the Faculty Development Program as its primary objective.

Student Empowerment Program (Phase 3) - A CSR Initiative by Honeywell

The technologies of the fourth industrial revolution are being adopted by multiple public sector and private companies worldwide. Students, the future workforce, getting skilled in these technologies is a great challenge because of affordability, access, and availability of infrastructure in their region.
To train the youth and women students on advanced technology skills and prepare them for the future of work, Honeywell has partnered with ICT Academy to establish 25 Center of Excellence for Women Empowerment and 25 Center of Excellence for Youth Empowerment. Through the center of excellence, 5,000 higher education students will be trained on advanced technologies such as cloud, big data, networking, RPA, artificial intelligence, and machine learning and will be made industry-ready resources. The project aims to benefit the students of higher education institutions in Tamil Nadu, Karnataka, and Maharashtra.

Capgemini

Empowering women through education is indispensable for achieving growth and advancing development in any country. In this context, skill development training programs will play a crucial role. When women learn a new skill, it develops their confidence, creates an income, and develops self-esteem in the eyes of their families and society. The skill training enables women to enter the workforce and become more independent.

In this age of technology, the workforce is constantly evolving for a sustainable career in the industry. Since industry expectations keep changing, equipping oneself with domain-specific technical skills has become essential for new portfolios in the job market.

To develop India's graduating women as skilled and job-ready resources, ICT Academy, in association with Capgemini, organizes the Women Transformation Program to train women students of engineering institutions in advanced IT skills. This program aims to bridge the need of aspirants deprived of opportunities due to financial constraints and those who cannot access new economy jobs.

Cybersecurity Training for Educators & Students of Higher Education

A CSR initiative by   Implemented by

Microsoft | ICTACADEMY

The cybersecurity field presents diverse career opportunities. Potential jobs include information security analyst, chief information security officer, security architect, and security engineer. The most popular industries that employ cybersecurity professionals include computer systems design and related services; management of companies and enterprises; credit intermediation and related activities; and management, scientific, and technical consulting services. As companies continue to emphasize on cybersecurity and heightened employee awareness, the focus on cybersecurity has increased more than ever. However there seems to be a huge supply-demand gap, this has led to an increase in hiring for available positions on permanent or contractual basis. The demand for roles such as Security Engineers, Cybersecurity Analysts and Cybersecurity Engineers is on the rise. India is expected to have over 1.5 million unfulfilled job vacancies in

cybersecurity by 2025. The second highest in the APAC Region after China. But finding skilled professionals in Cyber Security remains a formidable challenge.

As per the UNSDGs Goal No. 4 Quality Education, and Goal No. 8. Decent Work and Economic Growth, this problem needs intervention.

ICT Academy has partnered with Microsoft Philanthropies to conduct cybersecurity training programs for higher education students and faculty members. This program will help to create cybersecurity professionals. The program will be delivered in rural and sub-urban regions. Through this initiative, ICT Academy has been strengthening the India's important visions on Skill India and Digital India.

100 Institutions will be identified (50 institutions from Tamil Nadu & Karnataka, remaining 50 from Telangana, Assam, Uttarakhand, Delhi NCR and Rajasthan.

Placement Drive
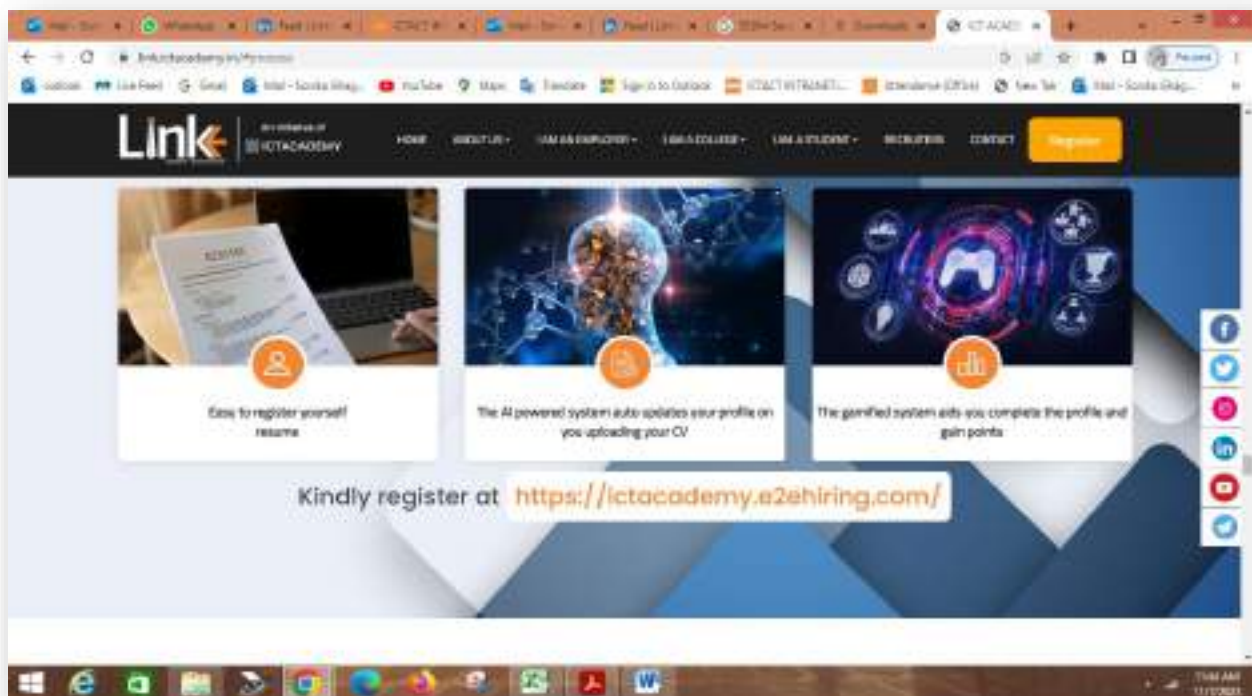

ICT Academy has been conducting various off campus placement activities for IT/ITeS/ BFSI companies across India since inception. The venerable association of ICT Academy with more than 1200 higher education institutions across India as its members has facilitated numerous campus recruitment drives to be conducted efficiently and professionally. In the years past, ICT

Academy has supported various organizations including CTS, EMC, HCL, CSS Corp, Sutherland, SPI Global, Ajuba, Lenovo, Rane, Mobius Knowledge Services, Hinduja Global Solutions, TNQ Books & Journals, Equiniti ICS, Integra, Digital Nirvana, SIM Technologies, Cogzidel Technologies, Aagna Corporate Services etc. The precedence for ICT Academy in organizing the placement drive and its success leads to the launch of LINK – A comprehensiveJob Portal.

ICT Academy Bridge 2023 - Delhi Edition

In the next five years, almost 25% of jobs are expected to change, says a report from World Economic Forum. Technology, green transition, value chain restructuring, and macroeconomic conditions are the major factors that affect job trends. For resilient economic growth, it is significant to prepare Gen Z with the skills they need for the future of work. On the other hand, the priorities of the Gen Z population are different as their focus is on workplace equity, quality of jobs, the opportunity for continued learning, and upward mobility that benefit them.

ICT Academy Bridge is the convergence of policymakers, industry leaders, and academic leaders to explore the right skills strategy to develop Gen Z for the future of work and the need to invest in people that would augment resilient economic growth. On the theme, 'Building Human Capital, Accelerating Growth, Enabling Access' - the summit helps the higher education institutions across India to focus on the acute problems that the current education system faces to prepare students for a future of rapidly changing work demands. Vision and Mission of the Institute and Department

Vision of the Institute

"To make IMS EC a leading and continuously evolving educational institution that provides a transformative learning experience for its students to become global leaders and also engage all stakeholders in the process of achieving its goals."

Mission of the Institute

- To imbibe in the students of IMSEC a desire for lifelong learning.
- To develop and use pedagogy based on participative and experiential learning.
- To undertake research, projects and consultancy assignments.
- To inculcate in its students the qualities of Leadership, Professionalism, and Technical Competence for achieving sustainable development.
- To enable students to become socially responsible individuals by inculcating in them a sense of human values and concern for the environment.

Vision of the Department

To provide globally competent professionals in the field of Computer Science & Engineering embedded with sound technical knowledge, aptitude for research and innovation with ethical values to cater to the industrial & societal needs.

Mission of the Department

M1: To provide quality undergraduate education in both the theoretical & applied foundations of Computer Science Engineering.

M2: Conduct research to advance the state of the art in Computer Science & Engineering and integrate the research results as innovations.

M3: To inculcate team building skills and promote life-long learning with a high societal and ethical values.

IMS Engineering College

Respected Mam,

As discussed with you regarding industrial visit for CSE students i am sharing the proposal with you for your kind information .

The suitable dates provided by the organization is 14,16,17 Nov 2022.

Thanks & Regards

....

Vibhor Harit

Dear Sir,

Greetings from **TRAINING BASKET !**

We are seeking an opportunity under your guidance to organize an Industrial visit with a technology Workshop for your students which shall provide them with theoretical and practical knowledge about IT technologies.

I hereby take this opportunity to introduce our company.

About Us

Blogic Software Technology Private Limited (Formerly known as Amazing Training Basket Pvt Ltd commonly used as brand name under "Training Basket") offers advanced IT training & certifications to individuals and organizations in technologies in Cisco, Redhat, AWS, Azure, Cisco, Software Programming Languages and Web Technologies.

During our journey we partnered with Redhat, Cisco, Times TSW and Comptia to provide quality content and global certifications for our students.
We are running successfully and completely operating in offline and online mode from our campus 4500 sqft. registered office located in Noida Electronic City Sec 62.

Our progress so far

We have successfully trained around 50000+ students and delivered through online and offline and webinars, workshops and seminars touched around 100000+ students in Delhi, Noida , Ghaziabad and Uttarakhand in the last 3 years.

Key Takeaways for your College Students-

1. Introduction & Knowledge transfer shared by our subject matter expert against the latest technology
2. The real-time Industry exposure & experience will be shared by the mentor
3. Every participant will be getting a Training Participation Certificate at the end of the training and project completion

Key Points for the Workshop:-

- Workshop Technology Name: College will confirm
- Workshop Confirm Date: College will confirm
- Timing: College will confirm

Requirements for the Industrial visit from college are as follows:

a. Industrial visit date: College will decide
b. Timings: 11:00am
c. Name of the Faculty/ HOD from college management who will handle the event.
d. It is advisable that students should be in proper uniform. Our maximum capacity we can accommodate is upto 80 pax.

Note Lunch shall be provided to college faculty and students will be provided snacks at our location.

Benefits of the students:

1. Technical Workshop will be complimentary for the students.
2. Introduction & Knowledge shared by the expert against the upcoming technology.
3. The real-time Industry exposure & experience will be shared by the mentor at the end of the session.

Our List of Programs -

TECHNOLOGIES FOR CS/IT & BCA/MCA STUDENTS

IT-MS Technologies -

1. CCNA Powered by Cisco Network Academy
2. Cloud Computing in AWS and Azure
3. RHCSA (Linux) Powered by Redhat Academy

Software Technologies

Programming Languages-

4. Java
5. Python Powered by Cisco Network Academy
6. .Net
7. Android

Web Development

8. Python with Django
9. Front End Web Development
10. PHP + MySQL

Data Development Technologies

11. Machine Learning
12. Data Science

Courses For BBA & MBA students

13. Digital Marketing

Note - If your desired courses are not available in the above mentioned list kindly let us know we can plan accordingly.

We have successfully conducted several Corporate/ Institutional/Workshops Training.

- GALGOTIAS UNIVERSITY- GREATER NOIDA
- BENNETT UNIVERSITY - GREATER NOIDA
- CGI COLLEGE - BHARATPUR RAJASTHAN
- ALIGARH MUSLIM UNIVERSITY- ALIGARH
- RKGEC - GHAZIABAD
- NIET - ALWAR
- ADVANCED ENGINEERING COLLEGE - PALWAL
- MANAV RACHNA INTERNATIONAL UNIVERSITY- FARIDABAD
- VIDYA KNOWLEDGE PARK- MEERUT
- GAUTAM BUDH UNIVERSITY- GREATER NOIDA
- VISHVESHWARYA GROUP OF INSTITUTIONS- DADRI
- SATYA COLLEGE OF ENGINEERING AND TECHNOLOGY- PALWAL
- IMS UC CAMPUS - DASNA GHAZIABAD
- ABES EC - LALKUAN GHAZIABAD

I hope the above clarifies; let me know if you have any questions, I will be glad to assist.

Regards,

Priyanju Rai

Respected Mam,
I am pleased to inform you that the request of Industrial Visit of our Computer Science and Engineering students is approved by the institute therefore the schedule will be as follows:

Date of Visit: 18/Nov/2022 (Friday)

Total No. of Students: 50

Total No. of Faculty :2 (max)

Timings: 10:30

Technology: Java (web development), Android development

We look forward to your favorable consideration and would feel elated to have long term association with your organization.

Kindly, acknowledge our mail.

....

Thanking you,

Vibhor Harit

Impact Analysis of Industrial Visit

- To help students understand web development and technologies used for it.

- To make students understand front-end and back-end languages and able to differentiate between them.

- Educating the importance of a programming language and how Java is one of the better options for learning a language.

- To help students understand difference between Python and other programming languages, so they can distinguish between them and relate the features of each of them.

Department of Computer Science & Engineering

Summary Report

A batch of 3rd semester students of Department of Computer Science & Engineering along with faculties Mr. Amit Katoch and Mr. Aditya Sam Koshy visited 'Training Basket' The I-Thum Tower Noida Sector-62 for an Industrial visit.

This visit was mainly focussed on to understand the concepts of Web Development & Java technologies. Mrs. Priya Anju trainer and coordinator there explained about the organization, their methods of working with different technologies, the difference between different programming languages used for the application development and their advantages and disadvantages. She also explained about the python and how it has been used in web development. After the tour, a presentation was arranged about the networking devices like modems, switches and how they are used. Overall, the session was interactive and beneficial for the students.

IMS ENGINEERING COLLEGE, GHAZIABAD

WORK ORDER

From: IMS Engineering College, Ghaziabad	To: Mr. Kuldeep Dixit, Business Head, ShapeMy Skills

Ref. No.: DIR/FEB/2023/   Date: 03rd March, 2023

Subject: Work Order to ShapeMy Skills for their Placement Oriented Training.

This letter aims to confirm the proposal for the Placement Oriented Training through ShapeMy Skills.

The proposal has been approved with the following term & conditions:

Training Schedule:

60 hours of placement oriented training *(Hands-on technical training, and doubts solving)* to 3rd year students, in the present academic year (2022-23) @ *INR 2,000/- per Student.*

Mode of Payment:

1st **Installment:-** 20% payment at the delivery of 20 hours

2nd **Installment:-** 20% payment at the delivery of 40 hours

3rd **Installment:-** 20% payment at the delivery of 50 hours

4th **Installment:-** 40% payment at the delivery of 60 hours and before certificate distribution.

Complimentary Programs:

1. Additional online tests (5) - Complementary.
2. Four Complementary Sessions on Emerging Technologies to final year students 2023 pass out Batch.
3. 10 Hour Boot camp program for 2024 pass out Batch.
4. Separate Industrial Training Certificates, Internship Certificates and Project Certificate to the Participant.

Conditions:

1. Dashboard Attendance must be share before 1st Installment.
2. Daily Attendance/Topics Covered report must be share of every Training Day.
3. Must Share Course Contents & Student Progress report before every Installment.

SUB: WORKSHOP ON DEMYSTIFYING DATA SCIENCE USING PYTHON

The Department of Computer Science and Engineering would like to organise a 1 Day free workshop on **Demystifying Data Science using Python** for the **CSE 2nd year Students.**

Ms. Avneet Kaur Corporate Trainer from **Cetpa Infotech Private Limited (Noida)** shall conduct the workshop on **28th April, 2023 from 8.50 am to 10:00 am to 1:00 pm in the Auditorium, C Block.**

The topics which shall be covered in the workshop of Network Management are:

Introduction Python and Data Science
Python Libraries
Introduction to Numpy
Pandas
Matplotlib
Processes of Data Analytics

Request you to kindly grant approval for the conduction of the Workshop.

SUB: WORKSHOP ON NETWORK MANAGEMENT WITH ETHICAL H

The Department of Computer Science and Engineering would like to organise a 1 Day free workshop on **Network Management with Ethical Hacking for** the CSE 3rd year Students.

Mr. Santu Purkait of Netcamp Solutions Private Limited shall conduct the workshop on **1st May, 2023 from 8.50 am to 10.50 pm and then 1.30 pm to 3.30 pm in the Auditorium, C Block.**

The topics which shall be covered in the workshop of Network Management are:

> Introduction to Networking and Network Management
> Structured Cabling
> Introduction to IP, Subnetting and VIsm
> Routing
> Basic Unix Concepts
> Commands and Utilities
> KDE (Linux)
> Networking with Linux (with Installation)
> Telnet and Ftp configuration
> DNS configuration
> Apache web server configuration
> Live dns, web server and ftp configuration

Request you to kindly grant approval for the conduction of the Workshop.
