To

The Director

IMS Engineering College Ghaziabad

Subject: Proposal for an Inter college Management Fest, "Aaghaaz" on 22 June 2023.

Department of MBA, IMS Engineering College, Ghaziabad feels extremely proud to announce "AAGHAAZ" - a one-day inter-college Mega Tech Fusion to be held on **June 22, 2023**. The festival will be a high-profile event that would attract students from colleges in and around Delhi/NCR. The fest is aimed at nurturing the talent of students by bringing them together on a common platform to share their creative ideas, exchange knowledge and showcase their talent. The various events and competitions during the fest would be pertaining to management and business world scenarios, giving unique exposure to the participants. Winners would be rewarded with prizes, certificates, and accolades.

This inter-college Mega Tech fusion fest will help us to create awareness and promote our MBA program to nearby areas.

Please find enclosed herewith the tentative budget for the fest.

Submitted for your approval, please.

Thanks & Regards

Dr. Meenu Baliyan

"AAGHAAZ 2023"

Write-up:

IMS Engineering College, Ghaziabad organized "AAGHAAZ 2023" on 22nd of June 2023, an extravaganza of Management & Technical events in which many institutions from In and around Delhi NCR had participated. More than 500 participants who are pursuing either Management or Computer Application courses at post or under graduate levels felt privileged being a part of this mega festival.

This was a collaborative effort of MBA & MCA department of IMS College to welcome students and through participation in various events, they were given an opportunity to showcase their versatile thought processes pertaining to create unique business models and management skills to become successful entrepreneurs in future. In nutshell, it was an opportunity for students who are multi-taskers & enterprising, eager to unleash their potential and demonstrate talents in the field of innovation and management skills to execute their excellent & technical ideas confidently. The multiple events scheduled were Blind Coding, Business Plan, Paper Presentation Contest, Ad Zap-The Ad Mad Show, Jugaad Management, Web-a-Thon, 100 ka Dum, Movie Making and the list is endless.

The inaugural moment witnessed Prof. (Dr.) H.S. Sharma, Chairman CSI Chapter, Ghaziabad as Chief Guest and Mr. Tejas. S as Guest of Honor from Dalkin Japanese Institute of Manufacturing Institute along with honorable Director of IMS Engineering College Dr. Vikram Ball, Dean Academics Dr. S.N Rajan, Dean Student Welfare Dr. Pankaj Goel, HoD-MBA, Dr. Meenu Baliyan, HoD-MCA, Dr. Kavita and many other dignitaries.

The honourable Director of the institution Dr. Vikram Ball had congratulated all students and participants for their dedication, devotion and determination shown to make this event a grand success. He blessed students for exploring and refining their talents like leadership, innovation, communication skills and team dynamics.

The prime personality of the valedictory function was Dr. Manjeet Ratan, Treasurer CSI Ghaziabad Chapter along with the Director, Deans and HoDs of various departments. The participants and students of IMSEC had added much required enthusiasm in the entire function. The winners were rewarded with cash prizes, certificates and accolades. Dr. Ball had extended his heartiest thanks and sincere gratitude to each and every staff member of the institution for bestowing their best and motivating the ignited minds and grooming them to escalate their confidence.

The event was a huge success because students in quest of exploring strategies were getting refined; participants cultivated the seeds of managing time effectively by prioritizing their work and honing team dynamics for venturing into a companionship with successful deadlines paving a career path for an enduring success.

IMS Engineering College

“GEMS Society”

Department of Biotechnology

About GEMS Society

- GEMS (Genetic Engineers and Molecular Scientists), the professional society of Biotechnology department was established in the year 2008.
- The aim of this society is to encourage students for various professional as well as social activities.
- These activities of this society provide students a platform where they can excel their talent in the area of science and technology with better understanding of their professional & social responsibilities.
- It also helps students to show leadership skills well as team work culture in among students Faculties of department constantly providing guidance necessary support students for organizing various activities of societies.
- GEMS Society is constantly working to organize various techno-cultural events for overall development of students.
- Every semester this society organizes events like Guest lecture from experts, Seminars, Innovative idea presentation, Biofiesta (Annual techno- cultural event), Plantation of herbal plants etc.
- Expert from industry and research institute like CDRI, BIBCOL, DABUR Research foundation, Sun Pharmaceutical Industries, Codon Biotech, Envirotech etc. delivered invited talk in the various activities organized by GEMS society.

Vision & Mission of GEMS

Vision

To develop leadership skills, team work culture among students through organizing various activities.

Mission

To enhance technical, scientific, leadership ability among students by organizing different technical and scientific event i.e. technical quiz, innovative idea presentation, writing skill, innovative idea presentation etc.

NOTICE

This is to inform all concerned that GEMS (Genetic Engineers and Molecular Scientists) Society of department of Biotechnology has been restructured for the academic year 2022-23. The structure of this society will be as follows:-

Coordinator : Dr. Indu Bhatt

President : Dr. Santosh Kumar Mishra

Vice President : Brinda Bisht (BT final yr. Student)

Secretary : Kshitij Singh (BT IIIrd yr. Student)

Joint Secretary : Priya Mishra (BT IInd yr. student)

Members of GEMS :All students and faculty members of Biotechnology Department

The above members will be responsible for planning and execution of various activities of GEMS society for the academic year 2022-23.

Thanking you

Dr. Santosh Kumar Mishra
