An Alumni talk on 25th March, 2023

An Alumni talk was held on 25th March 2023 in online mode. The meeting aimed to provide an interactive platform for the current students to interact with the alumni and learn about their college-to-corporate experience. The event was graced by two alumni, Mr. Rachit and Ms. Ettika, who shared their experiences as business analysts at Orange Business and Trident, respectively.

Mr. Rachit shared his experience of joining Orange Business as a business analyst. He discussed his journey from being a college student to a corporate professional. He highlighted the importance of having a clear understanding of one's goals and aspirations. He stressed that students should not only focus on academic excellence but also develop skills like communication, leadership, and teamwork, which are essential for success in the corporate world.

Ms. Ettika shared her experience of joining Trident as a business analyst. She talked about the challenges she faced during her initial days as a corporate professional. She emphasized the importance of being adaptable and open to learning new skills. She advised the students to develop a positive attitude and a growth mindset, which are necessary for success in any field.

Overall, the alumni talk was an insightful and informative session that provided the students with valuable insights into the world of business analysis. The alumni shared their experiences, challenges, and advice, which will undoubtedly help the students in their college to the corporate journey.
