

IMS Engineering College, Ghaziabad

(Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow, Uttar Pradesh & Approved by AICTE, New Delhi)

NH-09, Adhyatmik Nagar, Near Dasna, Distt: Ghaziabad, Uttar Pradesh Website: <https://www.imsec.ac.in>

SUPPORTING DOCUMENTS

AQAR: 2023-24

2.2.1	<p>The institution assesses the learning levels of the students and organizes special Programs for advanced learners and slow learners</p> <p>Attachment: - Supporting Documents</p>
-------	--

2.2.1. The institution assesses the learning levels of the students and organizes special programmes for advanced learners and slow learners

IMS Engineering College admits students through

- (i) Affiliated University (Dr. A P J Abdul Kalam Technical University, Lucknow) counselling and
- (ii) Admission based on Merit list prepared by College under Management quota.

Therefore, the admitted students represent a combination of bright students, average and weak students. To help them cope up with new learning environment, a number of measures are taken by the Institute. Firstly, the students are categorized as advanced/fast and slow learner.

Process to Identify Slow and Advanced Learners

Based on Class test (CT's) exam the students are placed into three bands: Red, Yellow and Green.

- If aggregate score in Class test (CT's) exams is less than 60% (Red Band); it would be considered as a slow learner
- If aggregate score in Class test (CT's) exams is greater than 74%; it would be considered as an advanced learner (Green band).

Initiatives for slow learners

The following activities are conducted for slow Learners:

- Remedial classes conducted for slow learners.
- Paid special attention through counselling based on mentor report. Discuss and resolve various academic & personal problems as a part of Mentor Mentee system.
- Provided supplementary study material and support system.
- Previous year Question papers and Question Banks for all subjects are circulated among the slow learners.
- Students are given repeated practice on important questions.

Initiatives for Advanced Learners

The following Special activities are conducted for Advanced Learners:

- Supplementary books from book bank to bright students.
- Bright and diligent students are motivated and inspired to get university ranks.
- Guided them to refer extra reference books that will be issued to such students from library.
- Guiding and encouraging to publish/patents research papers in conferences/Journals.
- Organizing expert talk, Conferences, Hackathons, seminars for such students.
- Encouraging to participate in various symposiums like quiz, poster presentation,
- Guiding the students for GATE/Competitive Examinations.

Impact observed

1. The overall result of the students has been improved and become eligible for the placement after clearing regular/carry over papers.
2. Increase in number of student's participation in various contests.
3. Due to motivation to advance learners, the total number of patent/research paper publication have been improved.
4. Advanced learners become more interested for internships, expert lectures or other learning activities.
