Assignment:

Question 1: What is SWOT Analysis ?

Question 2: Do your SWOT Analysis.

SWOT Analysis

SWOT analysis is a strategic planning tool that helps identify an organization's strengths, weaknesses, opportunities, and threats. It's a framework that can help an organization match its goals, programs, and capabilities to its environment. SWOT analysis is often presented as a grid with four sections, one for each of the SWOT headings.

The full form of SWOT analysis is:

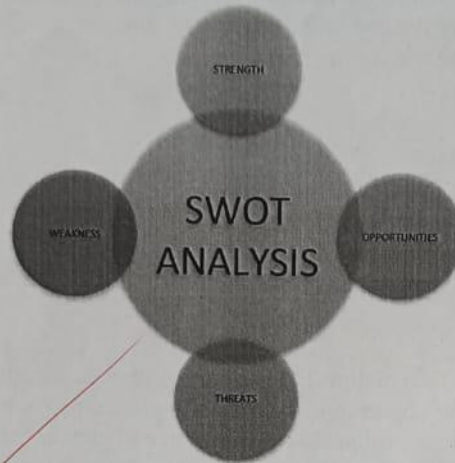

- S** - Strengths
- W** - Weaknesses
- O** - Opportunities
- T** - Threats

ASSIGNMENT-1

Q5 What is SWOT Analysis ?

SOLUTION:

"SWOT analysis is a strategic approach to introspect and deeply understand our scope for improvement, strengths, and opportunities that we can seize to become better."

A+

STRENGTH

After conducting SWOT Analysis, I observed that my strengths include **adaptability** to various situations without reflecting negative impressions on my work , and **resilience**, as I am quickly able to recover from setbacks and stay focused towards my goals.

WEAKNESS

One of the challenges I've encountered after the SWOT Analysis is that I can be **overly detail-oriented**, especially when working on projects that require precision. It sometimes leads me to spend more time on tasks than necessary.

Name: SHREYA JHA
Roll No: 2201430100235

ASSIGNMENT-1

OPPORTUNITIES

As per the current scenario, I have multiple opportunities that basically includes mastering multiple skills before graduation, gaining practical experience through freelancing, improving my resume with internships, and potentially securing a job through campus recruitment in a year.

THREATS

Some potential threats, I face include intense competition in securing jobs, internships, or freelancing opportunities, especially as I near graduation. Additionally, my current lack of hands-on experience in certain areas could put me at a disadvantage compared to others with more practical exposure.

Here's a breakdown of each component:

S - Strengths:

Internal factors that are favorable to the organization, such as:

- Skills and expertise
- Resources and capabilities
- Competitive advantages
- Positive brand image

W - Weaknesses:

Internal factors that are unfavorable to the organization, such as:

- Lack of skills or expertise
- Limited resources or capabilities
- Poor brand image
- Inefficient processes

O - Opportunities:

External factors that the organization can leverage to its advantage, such as:

- Market trends and growth
- New technologies or innovations
- Changes in government policies or regulations
- Partnerships or collaborations

T - Threats:

External factors that could harm the organization, such as:

- Market competition
- Economic downturns
- Changes in government policies or regulations
- Natural disasters or crises
