Department of Computer Science & Engineering

Vision & Mission of the Institute

Vision

To make IMSEC an Institution of Excellence for empowering students through technical education coupled with incorporating values and developing engineering acumen for innovations and leadership skills for the betterment of society.

Mission

- To promote academic excellence by continuous learning in core and emerging Engineering areas using innovative teaching and learning methodologies.
- To inculcate values and ethics among the learners.
- To promote industry interactions and produce young entrepreneurs.
- To create a conducive learning and research environment for life-long learning to develop the students as technology leaders and entrepreneurs for addressing societal needs.

Vision & Mission of the Department

Vision

To provide globally competent professionals in the field of Computer Science & Engineering embedded with sound technical knowledge, aptitude for research and innovation with ethical values to cater to the industrial & societal needs.

Mission

- To provide quality undergraduate education in both the theoretical & applied foundations of Computer Science Engineering.
- Conduct research to advance the state of the art in Computer Science & Engineering and integrate the research results as innovations.
- To inculcate team building skills and promote life-long learning with high societal and ethical values.

Department of Computer Science & Engineering

Objective of the Expert Talk

The objective of the expert talk is to make faculty members aware of the importance and usage of Bloom's Taxonomy along with the significance of Bloom's levels and the action verbs associated with each Bloom's level. How to use Bloom's Taxonomy Levels and their Action Verbs in the Question Paper and in Assignments and how to inculcate those practices in our academics.

Date: 18th August, 2023

Sessions on "Academic Action Plan 2023-24" by Dr. S.N. Rajan, Dean (Academic) and "Introduction to Bloom's Taxonomy" by Dr. Deepti Aggarwal, Professor, CSE Department have been scheduled today i.e. 18.08.2023 (Friday) from 2:15 PM onwards in the Seminar Hall, A-Block (1st Floor). All Deans, HoDs and faculty members are requested to make it convenient to attend the Sessions.

Dr. S.N. Rajan, Dean (Academic) and Dr. Deepti Aggarwal, Professor, CSE Department will coordinate the event.

Hon'ble Treasurer for kind information.

Speaker's profile

Prof. (Dr.) Deepti Aggarwal is working as Professor in Department of Computer Science and Engineering at IMS Engineering College, Ghaziabad. She has more than 22 years of rich academic and administrative experience in UG and PG computer science courses. She has received her B. Tech. (CSE) from Maharishi Dayanand University, Rohtak, M.Tech. (CSE) from Rajasthan Vidyapeeth, Udaipur and Ph.D. from Jaipur National University, Jaipur. She has been granted one patent "Reduce, Re-Cycle and Reuse (RRR) IoT Intelligence Waste Management System" and published one Patent on Smart Dustbin- Sanitation & Solid-Liquid Waste Management. She has authored and edited many books. She has published several papers in international journals and conferences of repute. Her areas of interest include Machine Learning, Cyber Security, IOT and Data Mining. She has been reviewer, guest editor of several reputed Journals and Books. She has also served many conferences as Session Chair.

Prof. & Head (CSE)

Prof. (Dr.) Vikram Bali
Director, IMSEC

Report of the Event

Objective: The Objective of the expert is to make faculty members aware of the importance and usage of Bloom's taxonomy.

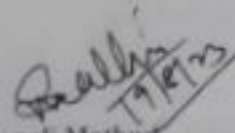

Description:

A session on 'Introduction to Bloom's Taxonomy' was organized for all faculty members of IMSEC, Ghaziabad. The session started with an introduction to Bloom's Taxonomy. Dr. Deepti Aggarwal explained the need and use of Bloom's taxonomy to all faculty members. She explained the significance of Bloom's level along with the action verbs associated with each level. She also emphasized on the importance of using Bloom's action verbs in question papers and assignments. The session was very interactive and the audience had many queries which were successfully resolved. The event ended with a Vote of Thanks to all the concerned persons.

Outcome: All faculty members were able to understand the process of Bloom's Taxonomy with levels and Action Verbs used in Question Paper and Assignments.

Department of Computer Science & Engineering

Objective of the Expert Talk

The objective of the expert talk is to make faculty members aware of the Innovative Teaching practices to enhance the learning experience and to improve educational outcomes. These practices go beyond traditional lecture-based teaching and involve the integration of new technologies, interactive techniques, and creative strategies to engage students, foster critical thinking, and promote deeper understanding of the subject matter.

Report of the Event

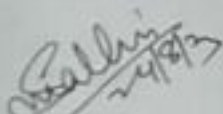

Objective: The objective of the expert talk is to make faculty aware of the various innovative teaching practices.

Description

Dr. Sushil Garg, Professor (Department of CSE) delivered a talk to the faculty members of IMSEC on August, 23, 2023 @ 02:15-03:15 pm on the topic "Innovative Teaching practices".

The event started with welcoming the Director, IMSEC. He addressed the gathering and gave a very informative session on Outcome Based Education (OBE). He explained about need of new teaching methodologies for the effective teaching-learning process. He encouraged the faculty members to implement some innovative teaching practices along with the traditional methods. After the introductory session, Dr. Sushil Garg explained in detail about the different innovative teaching practices that can be implemented. He also explained importance of implementing the innovative methods in teaching. Some of the teaching practices discussed by him includes Flipped Classroom, Gamification, Project Based Learning (PBL), Technology integration, Personalized learning, collaborative learning, experiential learning, peer teaching etc. The session was very interactive and the audience had many queries which were successfully resolved. The event ended with a Vote of Thanks to all the concerned persons.

Outcome: All faculty members were able to understand the innovative teaching practices.

Report of the Event

Objective: The objective of the session is to make students aware of the AKTU curriculum, Attendance criteria, Internal marks and lab Evaluation criteria, Research, Internship and various facilities available in the department.

Description

The Department of Computer Science and Engineering organized an Orientation Program for all the Second, Third and Fourth year students on September, 11, 2023 @ 11:30 am – 01:30 pm.

Prof. (Dr.) Sonali Mathur, HOD (CSE), led this insightful session. The Orientation programme was designed to welcome all the students in this new phase of their academic life and also to ensure smooth transition of all students from previous year to the current academic year.

The purpose of the session was to make students aware of the AKTU curriculum, Attendance criteria, Internal marks and lab Evaluation criteria, Research, Internship and various facilities available in the department. For 4th year students, specific emphasis was given to their projects and placement endeavours and was highlighted by Mr. Tejaswi Khanna (Project Coordinator, CSE). Dr. Mathur also highlighted the OBE practices being conducted at the department. In an effort to inculcate belongingness among the

students, she focused that students should work in enthusiastic manner to take IMS Engineering College Ghaziabad to greater heights. The session was very interactive and the audience had many queries which were successfully resolved. The event ended with a Vote of Thanks to all the concerned persons.

Outcome: All students were able to understand the Attendance criteria, Internal marks and lab Evaluation criteria, Research, Internship and various facilities available in the department.

Dear Sir,

NITTR, Chandigarh has registered your institute as a Remote Centre. Kindly instruct at least 25 faculty of your institute to register on the NITTR Portal under 'IMS Engineering College, Ghaziabad' as a Remote Centre for the said FDP, 'Outcome Based Education' scheduled to be held from 20 - 24 November, 2023 through ICT (ICT-113). Kindly nominate one faculty (name and his/her email id and Mobile No.) as local coordinator for the said FDP.

Thanks & Regards

Department of Computer Science & Engineering

Vision & Mission of the Institute

Vision

To make IMSEC an Institution of Excellence for empowering students through technical education coupled with incorporating values and developing engineering acumen for innovations and leadership skills for the betterment of society.

Mission

- To promote academic excellence by continuous learning in core and emerging Engineering areas using innovative teaching and learning methodologies.
- To inculcate values and ethics among the learners.
- To promote industry interactions and produce young entrepreneurs.
- To create a conducive learning and research environment for life-long learning to develop the students as technology leaders and entrepreneurs for addressing societal needs.

Vision & Mission of the Department

Vision

To provide globally competent professionals in the field of Computer Science & Engineering embedded with sound technical knowledge, aptitude for research and innovation with ethical values to cater to the industrial & societal needs.

Mission

- To provide quality undergraduate education in both the theoretical & applied foundations of Computer Science Engineering.
- Conduct research to advance the state of the art in Computer Science & Engineering and integrate the research results as innovations.
- To inculcate team building skills and promote life-long learning with high societal and ethical values

Objective of the Expert Talk

The objective of the expert talk is to make faculty members aware of the Outcome Based Education practices: Program Educational Objectives (PEOs), Program Outcomes (POs), Program Specific Outcomes (PSOs) and Course Outcomes (COs) with respect to CO-PO-PSO mapping. Also to discuss the CO, PO and PSO attainment process with respect to the target values and the buckets that are used to calculate the attainment levels.

Dr. Sonali Mathur
Prof. & Head (CSE)

Prof. (Dr.) Vikram Bali
Director, IMSEC

Report of the Event

Objective: The objective of the expert talk is to make faculty aware of OBE practices with respect to CO-PO-PSO attainment process.

Description

Mr. Nishant Anand, Assistant Professor (Department of CSE) delivered a talk to the faculty members of IMSEC on August, 17, 2023 @ 02:15-04:00 pm on the topic Outcome based education practices. The event started with welcoming the Director, IMSEC. He addressed the gathering and gave a very informative session on Outcome Based Education (OBE). He explained about Program Educational Objectives (PEOs), Program Outcomes (POs), Program Specific Outcomes (PSOs) and Course Outcomes (COs). He also explained about CO-PO-PSO mapping to the faculty members. After the introductory session on OBE, Mr. Nishant Anand explained in detail about the attainment process of COs, POs and PSOs. He also explained the target values and the buckets that are used to calculate the attainment levels. He also explained about the opening reports and closing reports that are to be maintained for every course in every semester. The session was very interactive and the audience had many queries which were successfully resolved. The event ended with a Vote of Thanks to all the concerned persons.

Outcome: All faculty members were able to understand the process of CO-PO-PSO attainment and buckets.

To,

The Director
IMS Engineering College, Ghaziabad,
Uttar Pradesh, India

Subject: Permission for organizing a one-week online faculty development program (FDP) on 16th to 20th Oct 2023.

Respected Sir,

I (Dr. Ajay Kumar) am working as an assistant professor in the Department of Electronics and Communication Engineering. With your permission sir, I would like to plan a one-week faculty development program (FDP) on "Research Innovations and Implementation Methods". The tentative date of the FDP is scheduled on 16th to 20th Oct 2023. Here, I request you, please permit me for the same.

Yours Faithfully

Dr Ajay Kumar
Assistant Professor
Department of ECE

About IMSEC

IMSEC has been a member of the top-notch engineering colleges in North India, and has placed most students in a 100% employment by placement in its branches. We had 2nd & 3rd Year Product design & Private Engineering College 2019 by Gulfstream India Ltd in New Zealand by CSR-GHRC Engineering College Farang 2019 and Ranked 5th in North Zone New York with the King Survey 2019. It is ranked 8th in North Region with the King & 10th in Top 10 Private Engineering colleges by Times Engineering India Ranking Survey 2019. IMSEC is bestowed with "Consistent Overall Performance" Award jointly by AICTE & EP New, (National MP Education Award), Ranked as 9th in North Zone by Times Engineering College survey 2021 and 10th in Uttar Pradesh by CSR-GHRC Engineering College survey 2021. IMSEC is ranked 15th in North India in the placement and 10th in Top 20 Private Engineering College by Times Engineering Institute for King Survey 2022. It's ranked 16th in Uttar Pradesh by CSR-GHRC Engineering College Survey 2022 and Ranked 17th in all India in the ranking of top engineering colleges of India, 2022.

IMSEC is accredited by AICTE Accredited for its quality and is also accredited by Innovation 2.0 India and one of its centers, P Tech, (Innovation Technology) is AICTE accredited (2021) up to 25-50% (Slightly revised) and and used faculty skills, state-of-art technologies, corporate culture, learning resource centers and student-centric pedagogical development initiatives give IMSEC the status of highly ranking and special opportunities to acquire knowledge and industrial exposure necessary for generating and providing our creative young talents. IMSEC is also a TQA Accredited as per the Assessment of TQA Institute.

Department of Electronics and Communication Engineering

The Department of Electronics and Communication Engineering (ECE) involves designing, developing, testing, developing and testing of electronic equipment used in various systems. Theoretical and practical.

"Faculty Development Program (FDP) on "Research Innovations and Implementation Methods (RIIM-2023)"

The Department of Electronics and Communication Engineering Engineering College Guwahati, Uttar Pradesh, India is organizing One-week Faculty Development Program (FDP) on "Research Innovations and Implementation Methods (RIIM-2023)" from 16th Oct to 20th Oct 2023. The aim of the FDP is to introduce the faculty members with new fields of research and aware them with novel implementation method tools. The FDP covers the research innovation for electronics industries, home automation, agriculture, healthcare and military applications, which serves as a platform for teaching professional, researchers, scientists and industry persons to interact the cutting-edge technologies and its implementation methods. The FDP outcomes will achieve new research ideas and novel methods for research implementation.

Dear Sir,

Greetings for the day!

Hope you are doing well.

It is an honour and privilege to invite you as a "speaker" in the one-week Online faculty development program (FDP) on **Research Innovations and Implementation Methods (RIM-2023)** scheduled on 19th Oct to 26th Oct 2023 organized by Department of Electronics and Communication Engineering, IMSEC Engineering College, Ghaziabad, Uttar Pradesh, India affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow, Uttar Pradesh, India

This faculty development program provides opportunities for the delegates to gain knowledge, ideas, innovations and problem-solving techniques and helps them update their knowledge and identify topics for their research work.

In this FDP there is no registration fee and also not received any funds from any agencies. so, we would provide you a 'Certificate of Appreciation' as a token of gratitude for being a speaker in this FDP.

You believe that sharing of rich knowledge and wide experience gained by you, will benefit our delegates, participants, and faculty members.

Thanks and Regards

Dr. Ajay Kumar (NAAC-COORDINATOR)

IMS ENGINEERING COLLEGE, GHAZIABAD

*In recognition of active participation in the **National Intellectual Property Awareness Mission (NIPAM)** launched by the Government of India on the occasion of the 75th anniversary of independence under the banner "Azadi Ka Amrit Mahotsav" to create widespread awareness on Intellectual Property Rights (IPR). The exceptional contribution in successfully organizing the awareness programme on **October 28, 2023** in association with **Intellectual Property Office, Mumbai** by providing your valuable time and support is highly appreciated.*

Solicit your continued support for outreach of IPR far and wide.

REPORT

Staff Skill Training Development Program (Under the aegis of IQAC, IMS Engineering College, Ghaziabad)

Session: 2 (10.12.2022) Microsoft Excel and Microsoft PowerPoint

Objective: IMS Engineering College, Ghaziabad is continuously working on the skill enhancement of staff members. To enhance the technical and soft skills, a series of training programs were designed under the aegis of IQAC of the institute. In this series of training on 10/12/2022 a training session on Microsoft Excel and Microsoft PowerPoint was organized. The resource persons for this session were Mr. Manoj Kumar Chaudhary, Assistant Professor, Department of MBA and Mr. Shankar Gaur, Senior Executive, IMS Engineering College, Ghaziabad. The training session was meant for all the non-teaching staffs of the college.

The session started with the introduction of the resource persons. Initial part of training on the topic "MAKING AN IMPRESSIVE POWERPOINT PRESENTATION" was taken by Mr. Manoj Kumar Chaudhary. Mr. Chaudhary started the session with the fundamental knowledge like how to create a presentation, how new slide can be added, how text can be added and formatted, etc. In later part of the session he explained how the maker of presentation can add pictures and shapes and also how a video can be added in the presentation. He also explained and demonstrated about adding hyperlink in the presentation. Lastly he explained everyone about creating a master slide. How they can save their time and energy with the help of master slide where all the similar changes can be done with change on only one slide.

Next part of the session was taken by **Mr. Shankar Gaur**. He started his training by giving clear insights on the usage of **Mail Merge in Microsoft Word**. He explained three main components of the merging process i.e. the main document, the data source, and the merged document. He demonstrated how to insert one or more merge fields that pull the information from your Excel Spreadsheet into your document. He also explained how to convert text to column and column to text in Microsoft Word. Further, he explained about some useful functions in Excel with examples. He practically described following excel functions with live examples:

1. **CONCATENATE**, to join two or more text strings into one string.
2. **UPPERCASE, LOWERCASE & PROPER**, which are used to convert the text to upper, lower & sentence case.
3. **TRIM**, which removes all spaces from text except for single spaces between words.
4. **MACROS**, which is an action or a set of actions that can be recorded, named, saved and executed as many times as required and whenever desired.

Conclusion: - 31 Staff members attended the session. The session was very informative. The discussed areas were of great benefits for the participants. Participants were enlightened and benefitted with the wisdom of the trainer **Mr. Manoj Kumar Chaudhary** and **Mr. Shankar Gaur**.

The session ended with **vote of thanks** and **group photo** of the participants and experts. Special thanks to **Mr. Mukul Goswami**, Asst. Manager, HR for coordinating the event.
