NOTICE

From: Cultural Committee Coordinator (AS & H) | To: Director

Date: 19th January 2024

Sub: Request for Approval of National Girl Child Day on 24th January 2024

This is to inform you that the Cultural Committee of Applied Sciences & Humanities at IMSEC is organizing a "National Girl Child Day" program on 24th January 2024.

As you are well aware, the girl child plays a pivotal role in the development of our nation, and it is imperative that we recognize and celebrate the achievements and potential of our young girls. National Girl Child Day is a crucial initiative aimed at creating awareness about the rights, education, health, and overall well-being of the girl child.

Program Overview:

Event Name: National Girl Child Day
Activities: Poem & Speech
Date: 24th January 2024
Time: 2:40 PM - 3:40 PM
Venue: A-Block Room -A120

Submitted for your kind consideration and approval please.

Report of the Event

Title: Annual Celebration of International Girl Child Day - 24th January 2024

Description:

The Cultural Committee of Applied Sciences & Humanities at IMSEC successfully organized the annual celebration of "International Girl Child Day" on 24th January 2024. The event was aimed at advocating for the rights of girls in education, healthcare, and equal opportunities while addressing the challenges they face on a daily basis and promoting gender equality.

Program Overview:

1. **Opening Ceremony:** The event began with a warm welcome from the organizers and an introduction to the significance of National Girl Child Day. The ceremony included a brief overview of the program's objectives.
2. **Poetry Recitation:** Students from various departments presented heartfelt and thought-provoking poems on the theme of girl child empowerment, emphasizing the importance of equal opportunities for all.
3. **Student Speech:** A student speaker delivered a motivational speech on the importance of empowering girls. The speech touched upon the challenges girls face and the role of the youth in promoting gender equality and advocating for girls' rights.
4. **Interactive Session:** The audience actively participated by sharing their thoughts and experiences. This session allowed attendees to express their views on girl child empowerment.

Conclusion:

The "International Girl Child Day" celebration at IMSEC was a resounding success. The event provided a platform to raise awareness, discuss challenges, and advocate for the rights of girls. It showcased the collective commitment of the IMSEC community towards gender equality and the empowerment of girls. The event successfully achieved its objectives and left a lasting impact on all attendees, inspiring them to continue their support for girls' rights.

We extend our heartfelt gratitude to all participants, speakers, performers, and attendees for making this event a meaningful and impactful one. Let us all continue to work towards a more equitable and inclusive society, where every girl has the opportunity to realize her full potential.

(IIC-IMSEC)

17 September 2023

Vishwakarma Puja is a day of celebration for Vishwakarma, a Hindu God, the divine architect. He is considered as swayambhu and creator of the world. He constructed the holy city of Dwarka where Krishna ruled, the palace of Indraprastha for the Pandavas, and was the creator of many fabulous weapons for the gods. He is also called the divine carpenter, and is mentioned in the Rig Veda, and is credited with Sthapatya Veda, the science of mechanics and architecture.

IMSEC celebrated “VISHWAKARMA PUJA” on 17th September 2023 (Sunday) in the Mechanical Engineering Department Workshop at 9:30 am. All HoDs, Deans, Professors and Section In charges along with all other personnel free from essential duties of the college attended the Puja.

WORLD ENVIRONMENT DAY Report (Association with IIC) 5 JUNE 2024

Event Report: "WORLD ENVIRONMENT DAY CELEBRATION"

IMS Engineering College GZB is not only successful and instrumental in executing disruptive modifications in the field of education to excel others but also emerged as an epicentre for fostering "Green Revolution through Plantation Drive" celebrating "World Environment Day" on 5th of June 2024 with much enthusiasm and focused mission to accomplish.

Department of Applied Sciences and Humanities of IMS Engineering College replenished the thought processes for advocating the importance and immense need to inject sensitivity among community regarding environment.

The theme with the slogan 'Our Land, Our Future' inspired a series of activities aimed at raising awareness and taking concrete steps towards the environmental conservation. The faculty members and students from various branches rendered speeches and recited poems to rekindle and evoke the sensation to rescue our environment by all means and at any cost to safeguard our future generations.

Our esteemed Director Prof. (Dr.) Vikram Bali inaugurated the plantation drive and encouraged the staff members and students for tree plantation by mentioning its significance for preserving biodiversity and climate control. Dr. Amit Kumar Dean (Student Welfare), Dr. Vineet Kumar HoD (AS&H) and diversified stake holders cheerfully participated in this goal and relish the expedition.

The cleanliness drive was also organized by the dept. of AS&H to demonstrate the collaborate efforts in promoting cleanliness environmental awareness and a sense of responsibility amongs students.

While culminating, Dr. Vikram Bali briefed regarding the importance of the activity and emphasised the mission to cultivate a well defined mindset for contributing towards the Sprevention of the atmosphere and to secure the ecological balance for holistic sustainability. He acknowledged the true dedication and endeavours of IMSains to fuel such kinds of lucrative

Report of the Event

Objectives

The Holi festival has a cultural significance among various Hindu traditions of the Indian subcontinent. It is the festive day to end and rid oneself of past errors, to end conflicts by meeting others, a day to forget and forgive. People pay or forgive debts, as well as deal anew with those in their lives.

Description

The Holi festival at IMS Engineering College, Ghaziabad was a vibrant celebration that infused our campus with a burst of color and joy. The event featured colorful Tambola rounds and lively musical chairs, filling the atmosphere with joy and excitement. Prof. (Dr.) Vikram Bali, the esteemed Director of IMSEC, delivered inspiring words that resonated with everyone, emphasizing the values of inclusivity and togetherness. The celebration strengthened the bonds, creating cherished memories and fostering a spirit of unity. May the joyous spirit of Holi continue to bring us together in celebration.

Outcome

It serves as a great festival to strengthen bonds of love, friendship and unity among people. The true spirit of Holi lies in forgetting past differences and celebrating life together in a spirit of brotherhood.

Mr. Ashkar Husain for necessary arrangements.

Report of the Event

Objectives

To celebrate the Independence Day and to spread the awareness of independence among the faculty, staff and students.

Description

IMS Engineering College Ghaziabad celebrated the 78th Independence Day with heartfelt enthusiasm. The celebration began with the symbolic hoisting of the tricolor by our Respected Director, Prof. (Dr.) Shailesh Tiwari, in the presence of HoDs, faculty, and staff. The day was filled with joy and unity, as we shared in vibrant cultural performances, took part in a meaningful plantation drive, and marched proudly in the spirited Tiranga Yatra, embodying the spirit of freedom and togetherness that defines our nation.

Outcome

Faculty, staff & students participate with full enthusiasm in this celebration.

Subject: Celebrating "National Science Day" VIGYANOTSAV-2024 on 28-02-2024

Dear Sir

With reference to the Inter Office Note, Ref. No.: DIR/DEC/2023/1142, dated 7th December, 2023, our Biotechnology department has been given the responsibility to celebrate and commemorate "National Science Day" on 28th February, 2024.

We have planned the following competitions to foster scientific spirit and innovation among students while focusing on the theme "Indigenous Technologies for Viksit Bharat" of this years' "National Science Day" on 28th February, 2024:

1. Tech-Canva: A Scientific Poster Presentation
2. Vigyaan-Vista: A Quiz Competition
3. Yuva-Samwad: Elocution Excellence Contest Slogan writing competition

These competitions will be open for all the Students (all programs, all branches) of the colleges/ institutes affiliated with AKTU, Lucknow.

The purpose of this letter is to seek your gracious approval for conducting the same.

Thanking you

Yours sincerely

(Dr. Ajay Kumar Sharma)

Report of the Event

Objectives

National Science Day was commemorated on February 26, 2023 with an objective to raise awareness about the significance of science in our daily lives and its role in societal progress.

Description

IMS Engineering College, Ghaziabad, in collaboration with Dr. A.P.J. Abdul Kalam Technical University, Lucknow, celebrated National Science Day (VIGYANOTSAVA-2024) on February 28th, 2024, under the esteemed guidance and leadership of Prof. (Dr.) Vikram Bali, the Director of IMS Engineering College and Associate Dean R&D and Industrial Consultancy, AKTU.

The event aimed to ignite scientific curiosity and innovation among students, focusing on the theme "Indigenous Technologies for Viksit Bharat." Dr. Santosh Yadav, Senior Scientist at the Institute for Industrial Research for Toxicology, Ghaziabad, graced the occasion as the chief guest, adding significance to the event.

Organized by the Biotechnology department, the event featured various competitions. Winners included Arohi Srivastav for the Quiz Competition, Aditya Raghav for Scientific poster presentation, and Harsh Sinha for Yuva Samwad. Dr. Ajay Kumar Sharma, Professor and Head and Dr. Siddharth Vats, Associate Professor and Additional Head, Biotechnology department, served as the Convener and Co-convener, respectively.

Participation in VIGYANOTSAVA-2024 provided students with valuable insights and experiences, reflecting IMSEC's dedication to nurturing a culture of scientific inquiry and innovation among its students.

The department expressed its thanks to Dr. Vikram Bali, Director, IMSEC for his valuable support throughout the event.

Outcome

The celebration of National Science Day facilitated knowledge sharing among scientists, educators, and the students through discussions, presentations, and interactive sessions.

Under the aegis of IMS Society, Ghaziabad

Report of the Event

Objectives

To celebrate Republic Day

Description

On the momentous occasion of Republic Day, IMS Engineering College, Ghaziabad, celebrated the spirit of patriotism and unity. The day commenced with the dignified unfurling of the National flag, symbolizing the essence of sovereignty. Our esteemed Director, Prof. (Dr.) Vikram Bali, delivered an insightful address, reflecting on the significance of the day and fostering a sense of national pride. The cultural program resonated with the melodies of patriotic songs and the recitation of stirring poems, capturing the rich tapestry of India's diverse heritage. The festivities reached a crescendo with a spirited patriotic run, symbolizing the collective stride towards a harmonious and progressive nation.

Outcome

The event at IMS Engineering College was a testament to the institution's commitment to instilling a profound love for the country among its students and fostering a spirit of unity and responsibility.

08 September 2023

World Literacy Day is celebrated on September 8 every year to promote the importance of literacy for dignity and human rights, and a literate and sustainable society.

Mechanical Engineering Department had organized and celebrated “World Literacy Day” on 8th Sept. 2023. The purpose of this day is to emphasize the value of literacy to people, communities, and society as literacy is the path to a well-educated and efficient society.

Presented to Director, IMSEC, for kind perusal.
