AICTE approved FDP on “Universal Human Values & Profession Ethics”

(18 - 22 July 2023)

IMSEC-GZB is committed to encourage the practice of conducting “Faculty Development Programs” periodically for its faculty members to imbibe and escalate technical skills prevailing in the current industrial scenario and for inculcating human values too.

Thus, the institution has organized a 5-day FDP on “Universal Human Values & Professional Ethics” from 18th to 22nd of July 2023. This was a collaborative initiative of “Universal Human Values Cell and Internal Quality Assurance Cell” of the institution under the aegis of All India Council for Technical Education (AICTE) New Delhi.

The current education has to be bi-dimensional to solve dual purpose. Firstly, it is bound to be skill oriented for infusing technical know-how to get placed by enhancing their employability quotient and secondly, even more importantly, value based so that today’s generations may able to sustain human values and professional ethics and lead a contented and happy life free from stress, anxiety and depressions.

GROUP PHOTOGRAPH: FACULTY DEVELOPMENT PROGRAM ON UHV-II, 18 TO 22 MAY 2023

The registered faculty members were highly excited to implement their learnings in real life. Everybody praised the FDP as it was highly informative with sprinkles of quality entertaining ingredients to make it more appealing. All had cherished the comprehensive modules designed for few dedicated hours and felt enlightened.

The participants had a new dimension and meaning in their lives to get rejuvenated and lead a social and career path which would certainly be more refined, meaningful and poured in humanism. Last but not least, the Coordinator Dr. Navin Kumar Sharma of IMSEC had bestowed the vote of thanks to all the participants and showed humble gratitude to all the resource persons and observer.

Indeed, the concluding session was highly emotional as the roadmap to success was illuminated with spiritual beams as the journey was initiated from “human being” and metamorphosis to become “being human”. Undoubtedly, this FDP will resonate in the minds of the fortunate participants for indefinite time period as we all can count on the discourse.
