

2.6.1 Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

College follows the outcome-based education; hence the Program Educational Objectives (PEOs) Program specific outcomes (PSO) are defined by each department. For defining the PEOs and PSOs we follow the consultative process involving the stake holders and are in lined with the vision and mission of the college and department as well as the graduate attributes. The process is explained in the chart below:

We follow the Program Outcomes (POs) (twelve) defined by National Board of Accreditation (NBA), New Delhi and are to be fulfilled by all the programs in higher education. The Course Outcomes (COs) for each subject is available in university syllabus or defined by concerned faculty member in consultation with other faculty teaching the same subject and HoD.

The POs, PEOs, and PSOs and COs are available on college website and are also communicated to students, teachers and other staff by displaying at following location:

- Departmental Laboratories
- College corridors,
- Dean, HoDs and Faculty rooms
- Course files.

The COs is also disseminated to students through faculty announcements to the students during the beginning of each semester and from time to time during the entire semester.
